Mr. Bill Dooling and Mr. Brian Tuohey

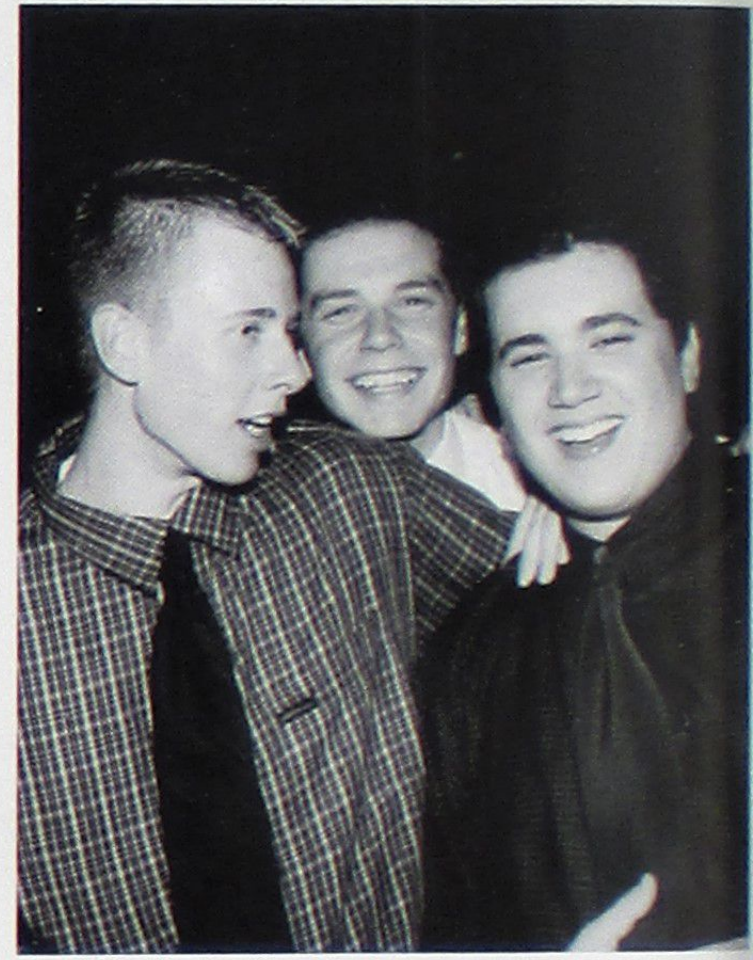

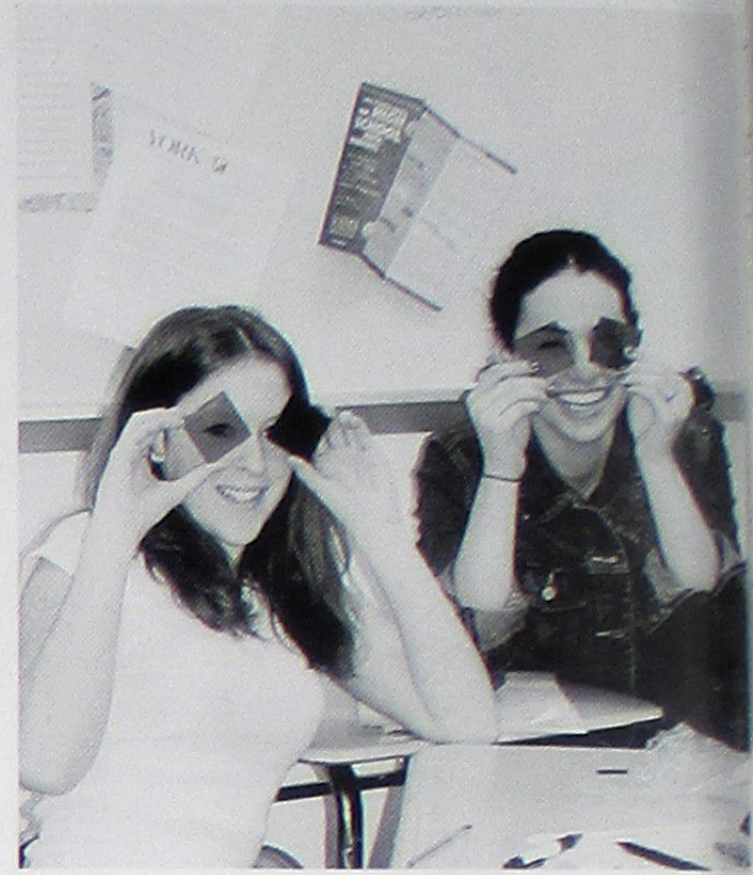

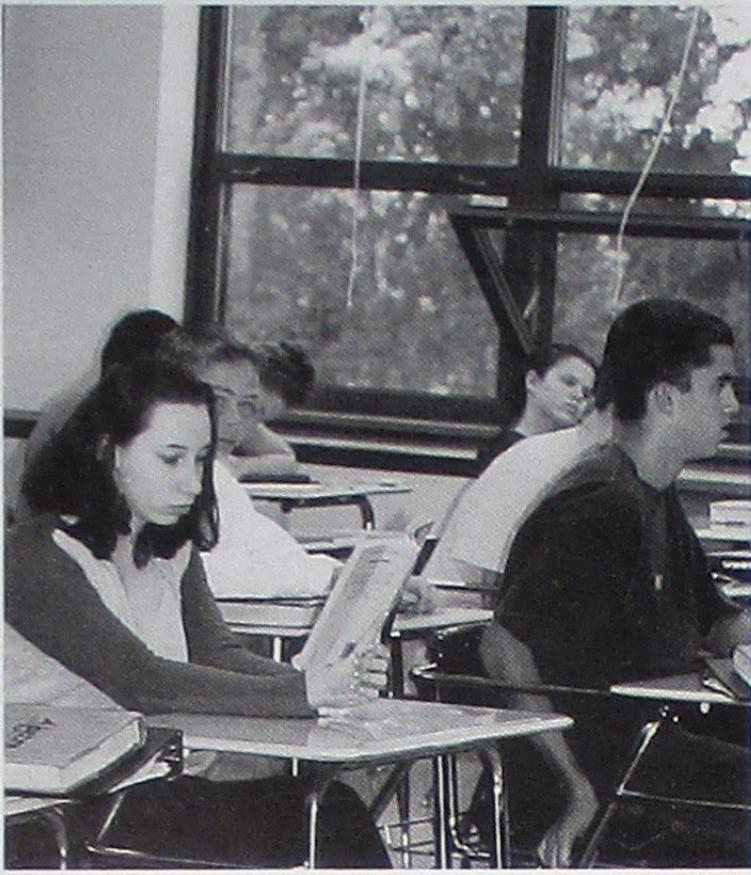

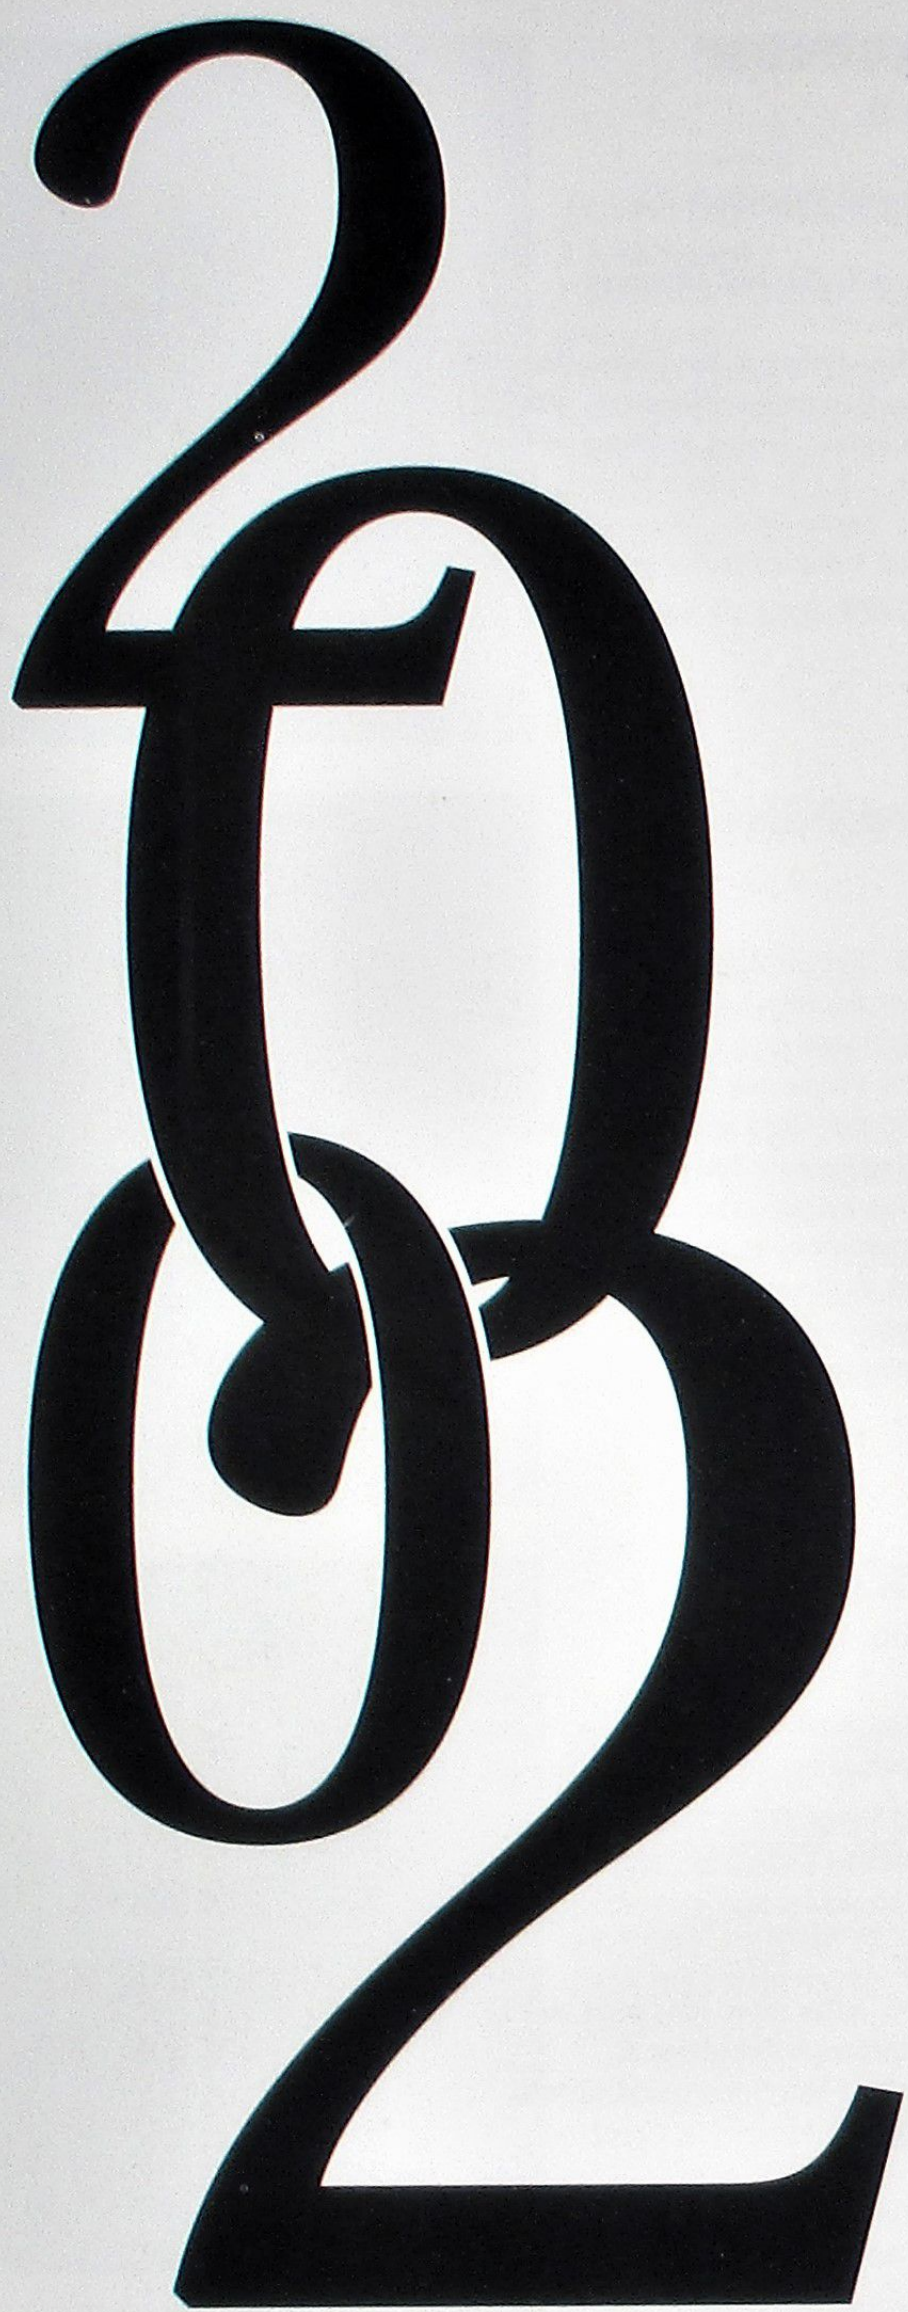

Mr. Dooling has been a teacher at MHS for 30 years and was an advisor to numerous classes. Mr. Dooling has always been there for us when we needed someone to talk to. He started out as our teacher, but then became our friend and confidante. He has been our class advisor for four years, our teacher, and our driving instructor. We, as a class, would like to thank Mr. Dooling for four years of friendship and unyielding support. We will miss his infectious laugh and his unique classroom presentations.

Mr. Tuohey has been a social studies teacher for 34 years as well as our student council advisor. Being in Mr. Tuohey's class was always an experience. He demanded a lot from us and made us learn, while keeping class fun. Students would say his teaching style was as unique as his daily attire. Not only was he our teacher, he was a person who we came to respect as a friend. We, as a class, would like to thank Mr. Tuohey for being a great teacher, who pushed us to do our best. Mr. Tuohey is a teacher whom we will never forget.

Dr. Caroline M.C. White
Superintendent

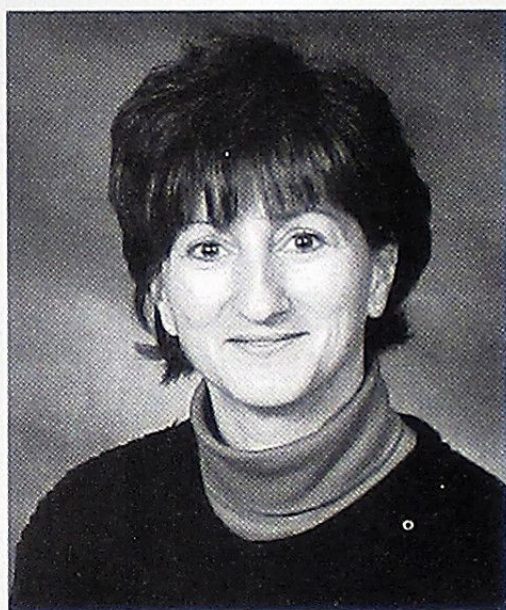

Dear Graduates of the Class of 2002,

Congratulations! As members of the Millis High School Class of 2002, you have accomplished a great deal. Your senior year, which began with our national tragedy of September 11, 2001, forced you to mature more quickly than your predecessors. Your hard work, commitment to your community, and your pride in your country have made your graduating class one of Millis' best.

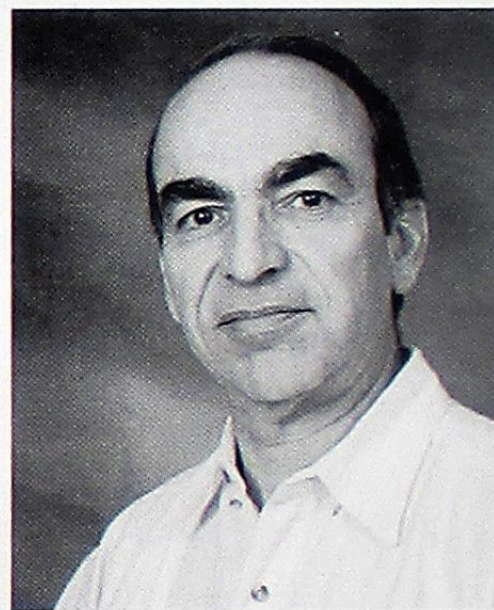

Most of you are pursuing further education. The array of college acceptances among your classmates is impressive. As graduates, you will be facing many exciting challenges and opportunities. Set goals for yourselves. Know that you have developed the skills to succeed. Do not be afraid to reach for the "brass ring." Follow your interests and passions. I am confident that the knowledge and skills that you developed while attending the Millis Public Schools will put you in an excellent position to succeed in each new endeavor.

Best wishes to each and every graduate. Know that we in the Millis Public Schools are very proud of you. We have every confidence that you can and will succeed as you face your new challenges.

Sincerely yours,
Caroline M. C. White, Ph. D.

Newspaper

The Newspaper Staff got off to a great start this year, publishing four consecutive issues in a row. Unfortunately, many of our meetings were canceled, which resulted in low production. With a terrific staff, this has been one of the best years for the newspaper club. The layout of the paper received an update and the staff grew in size. We would like to thank Mrs. Russ for being the advisor, and keeping us on task. For the future we hope to expand both our publication and membership.

Student Council

This year the Student Council did not have any major issues to deal with. Colin Quinn and Sarah Okolita spent time going to Student Advisory Council meetings. The whole Student Council worked hard to run the annual Globe Santa and Red Cross Blood Drive. Both of these events brought in over the expected amount. The Council was praised by the Red Cross for how nicely things were run. The group also sponsored a clothing drive. Additionally there was much discussion about a school store, a possibility for next year.

BACK ROW(l-r): J. Basham, P. Swanson, K. Sullivan, M. Clancy, J. Shuker, J. Hansen, J. Ward, S. Johnson, M. Tocci, D. Anderson, Mr. Tuohey. **FRONT ROW**(l-r): R. Ranley, C. Cushman, J. Johnson, C. Quinn, K. Richards.

Common Ground

As a group, Common Ground had a lot of fun this year! In Medfield we had the annual Common Ground Breakfast with other surrounding towns. We learned a lot of interesting ideas for helping our school. Everyone joined us when we had our Thai food lunches. The Common Ground club would like to thank Mr. Bill Dooling who is retiring and has been our advisor along with Mrs. Mannion for many years.

MEMBERS(l-r): R. Ranley, J. Ward, C. Kilmartin, M. Yered, J. Johnson, R. Hubbard, J. L. Duffy, A. Gordon, A. Cellucci, K. Treseler.

SADD

The SADD program continued their work of teaching the student body about the dangers of destructive decisions. During the spring they brought in Dixie Robinson to speak to the student body on Drunk Driving. She shared her own personal story of her late son's accident. During Prom week was the annual White Out Day, everyone was taken aback by the site of the skeletons in prom attire. There was also the wrecked car to show what could happen when you drink and drive.

TOPTO BOTTOM: H. Farricy, L. Carter, M. Clancy, J. Hegger, M. Weaver, C. Glicklich, A. McElroy, D. Manzon, M. Wessling, G. Kelley, A. Rothausen, A. Cutler, R. Hubbard, C. Hopper, M. McElroy, MK. Band

This year, the MHS Concert Band had the best year ever. Even with seventeen members, we still were able to accomplish many things, and we sounded great! In the fall we held a carwash, and even though it was cut short because of rain, we still raised enough money to go to the Music in the Parks Festival held at Six Flags in May. At the festival we received an Excellent rating and brought home a trophy. Our concerts were a success, and we continued the fun through the tradition of going to dinner or to a party together afterwards. This year we also played during the Memorial Day parade, which could be the start of a new tradition. Everyone is sad to see Miss Downs leave, as she helped the band progress to their current level. We look to the future with hope and anticipation. Section Leaders: Bonnie McBride - Flute, Kristen Newsham - Clarinet, James Basham - Trumpet, Ashley Gordon - Saxophone, Alex Gangi - Percussion, Jason Kilgore - Electric Bass.

BACK ROW(l-r): P. Mascis, J. Kilgore, D. Anderson, S. O'Keeffe, J. Coulter, M. Kennedy, A. Gangi, J. Basham, V. Rucinski. **FRONT ROW:** W. Vogt, B. McBride, M. Divver, E. Divver, K. Newsham, K. Madge. Not pictured: A. Gordon, A. Wierzbicki, Miss Laura Downs.

Art Club

The Art club started the year off with a special kiln firing that took place out in the courtyard. Many pieces of art were fired and the process took most of the day. The Art Club, along with the TV Production classes, ran the Annual Visual Arts Night. Visual Arts Night allowed the students to showcase their work and many students were nominated and given awards. The Art Club continues its mission of promoting the arts at Millis High School.

Some students attended workshops at Holy Cross and Dean College to add to our Peer leader skills. The group looks forward to continuing their work next year.

Amnesty International

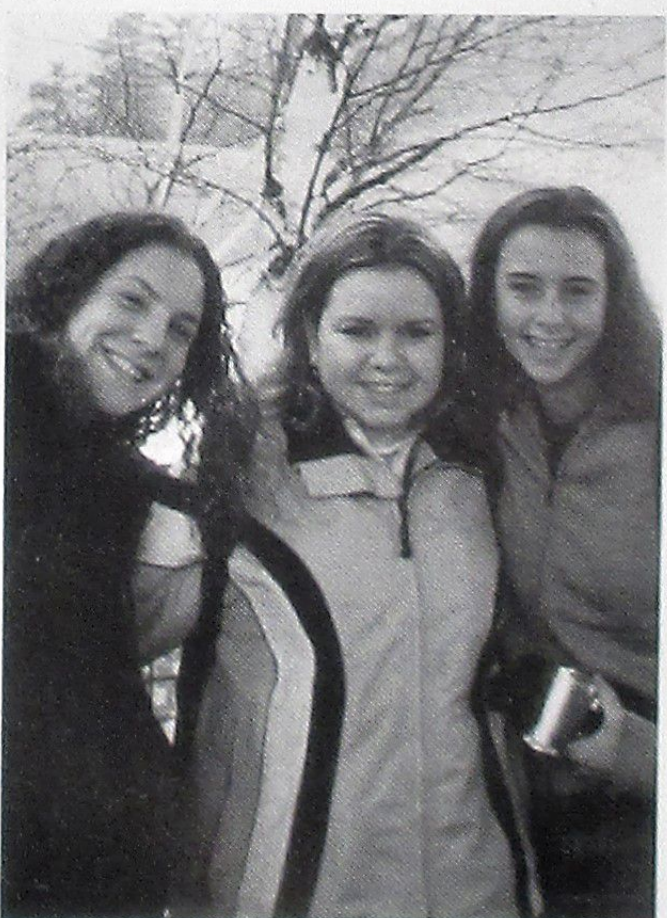

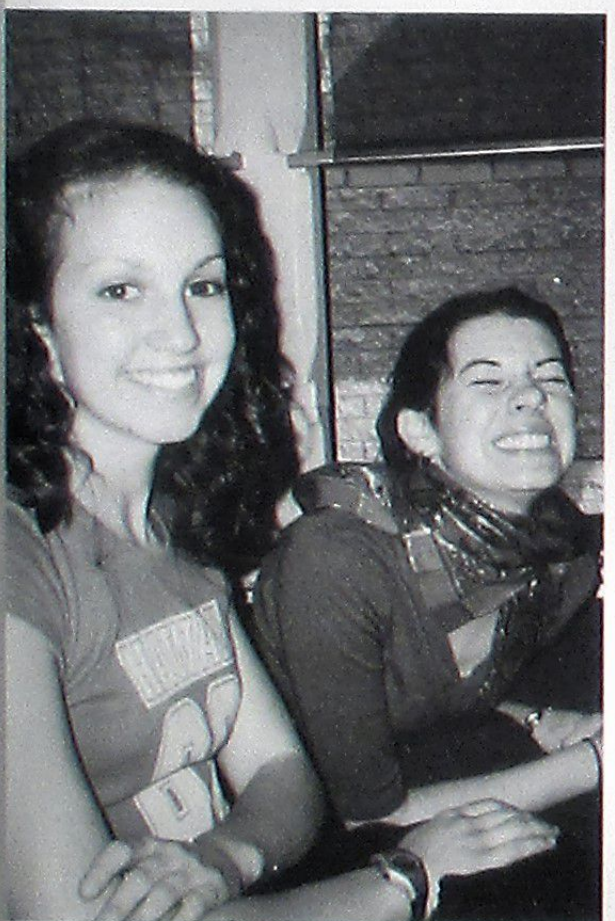

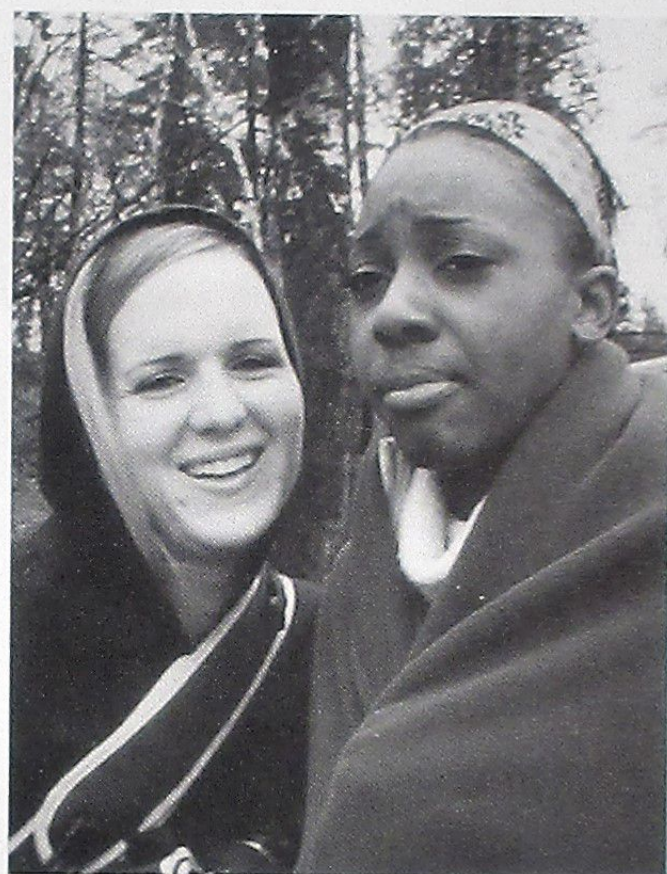

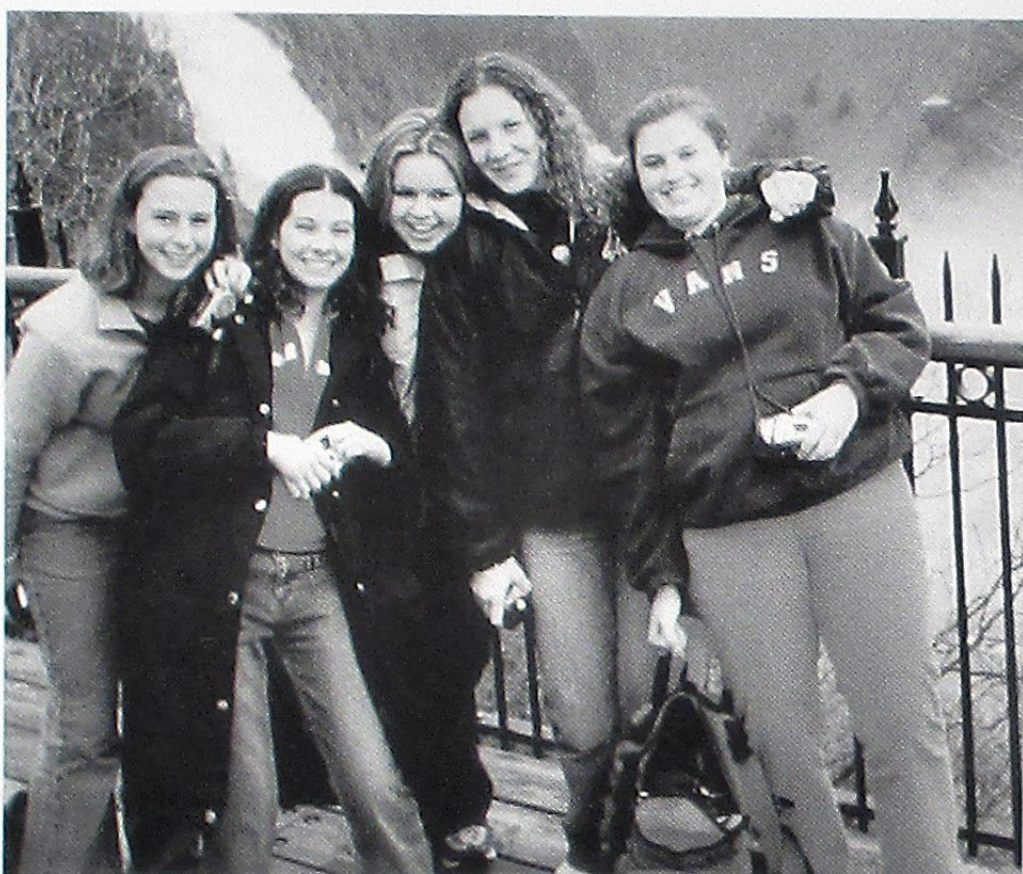

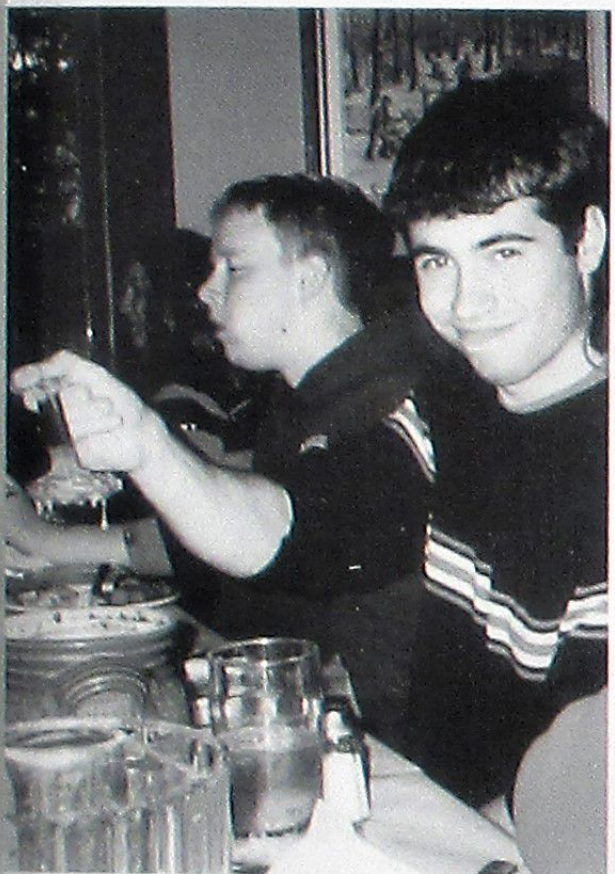

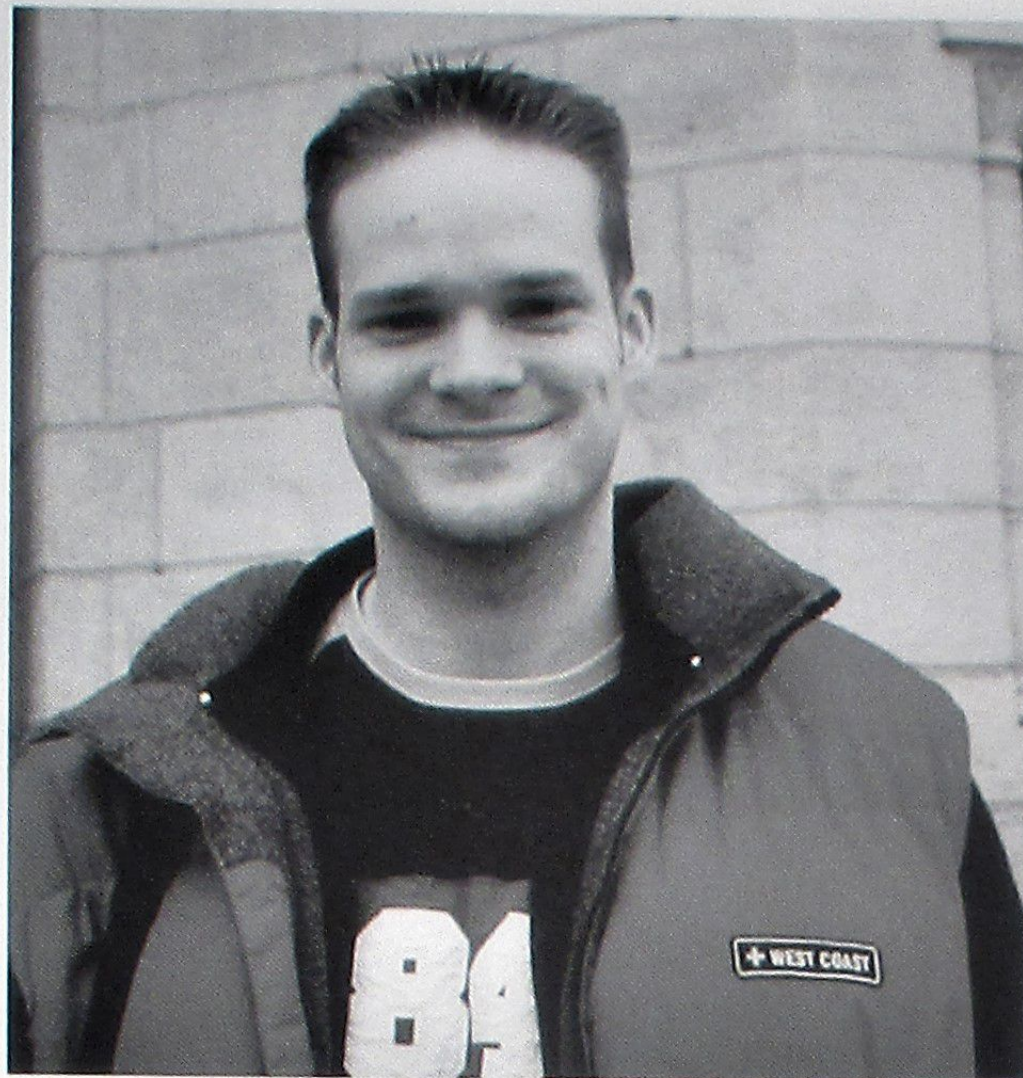

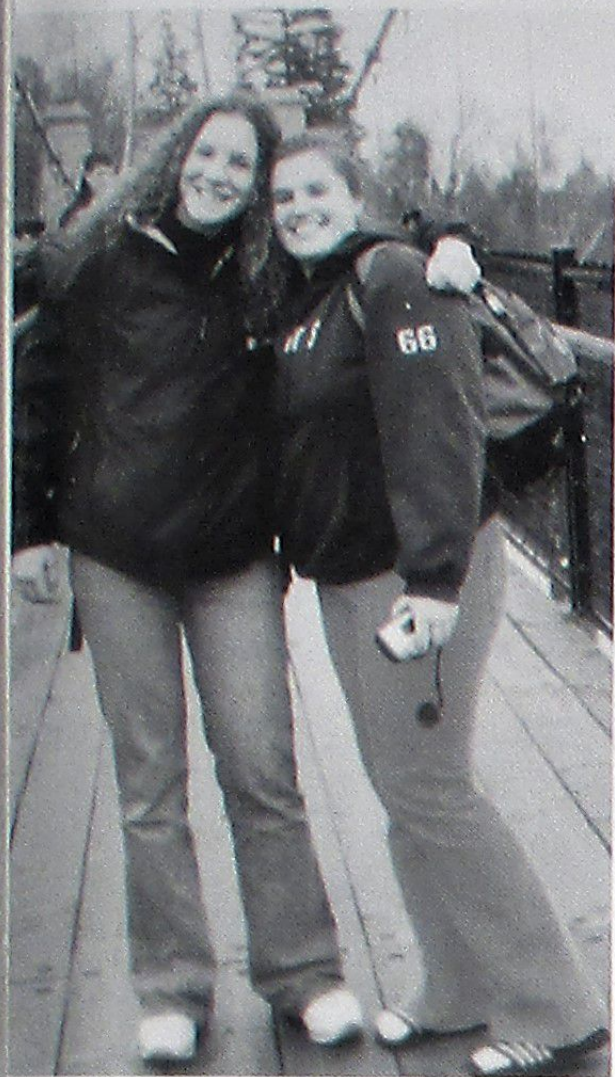

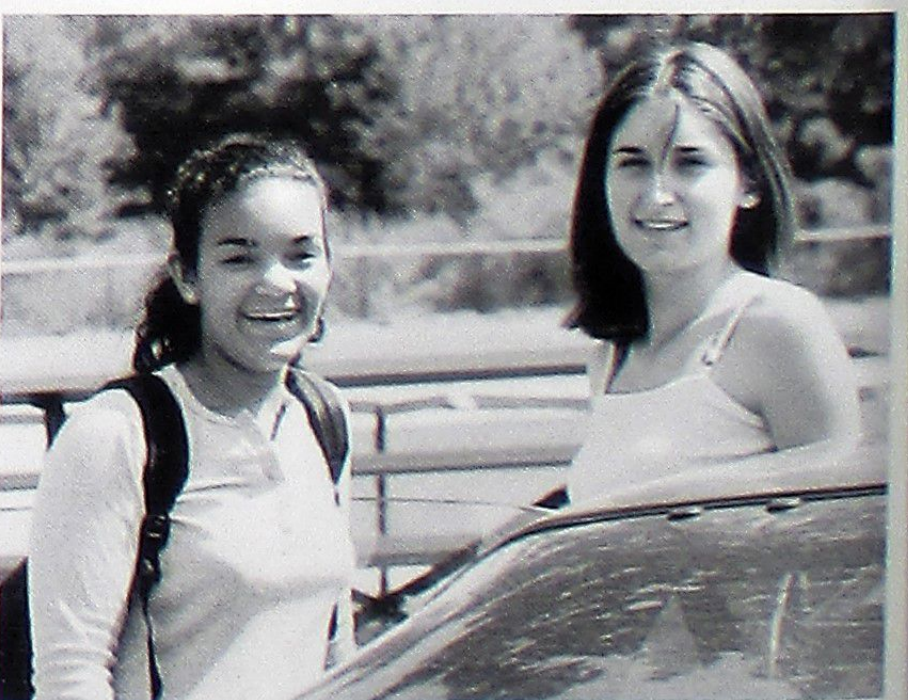

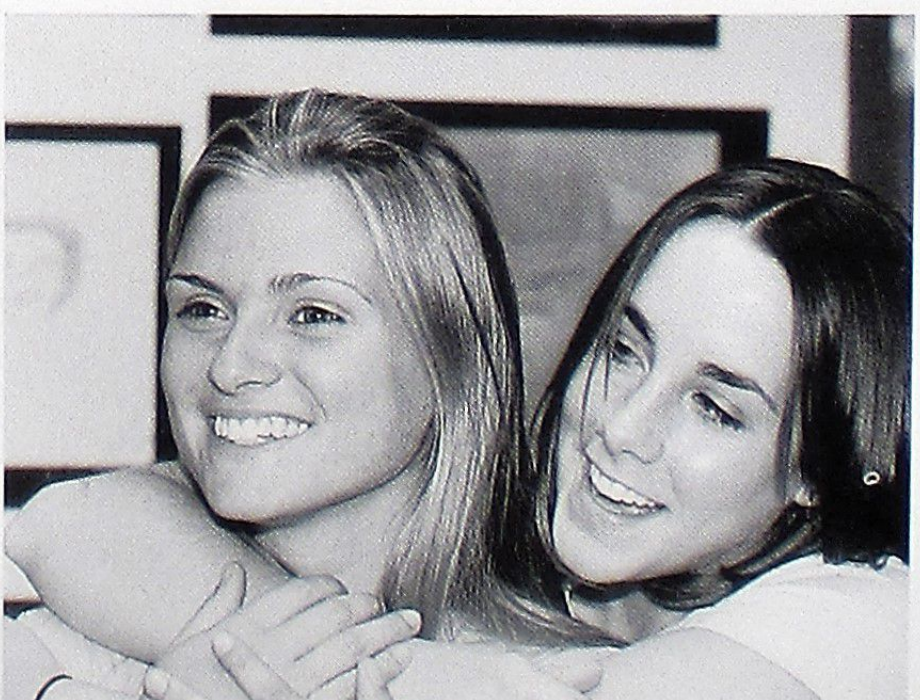

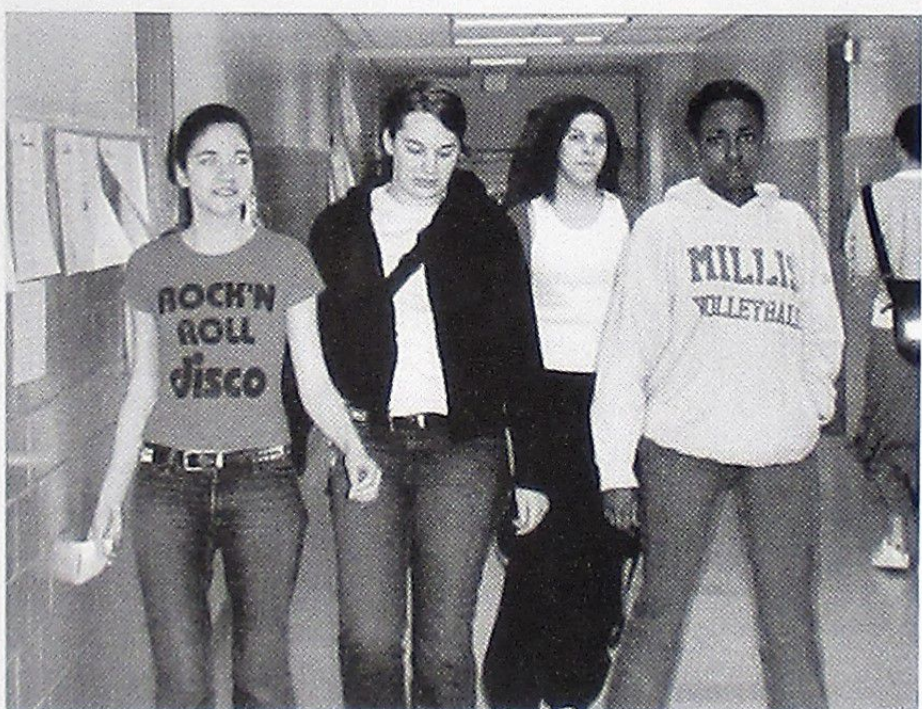

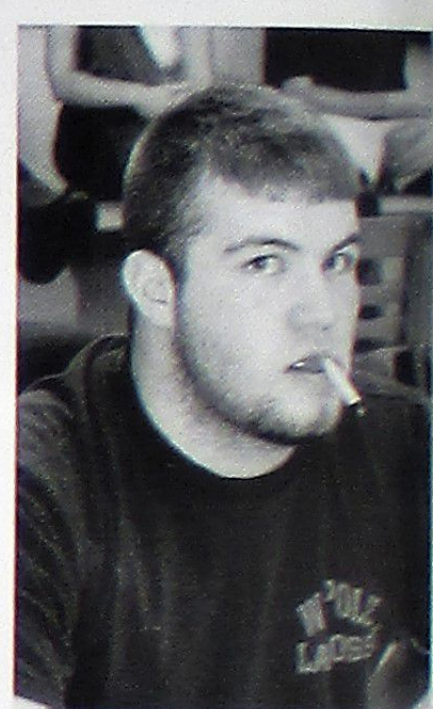

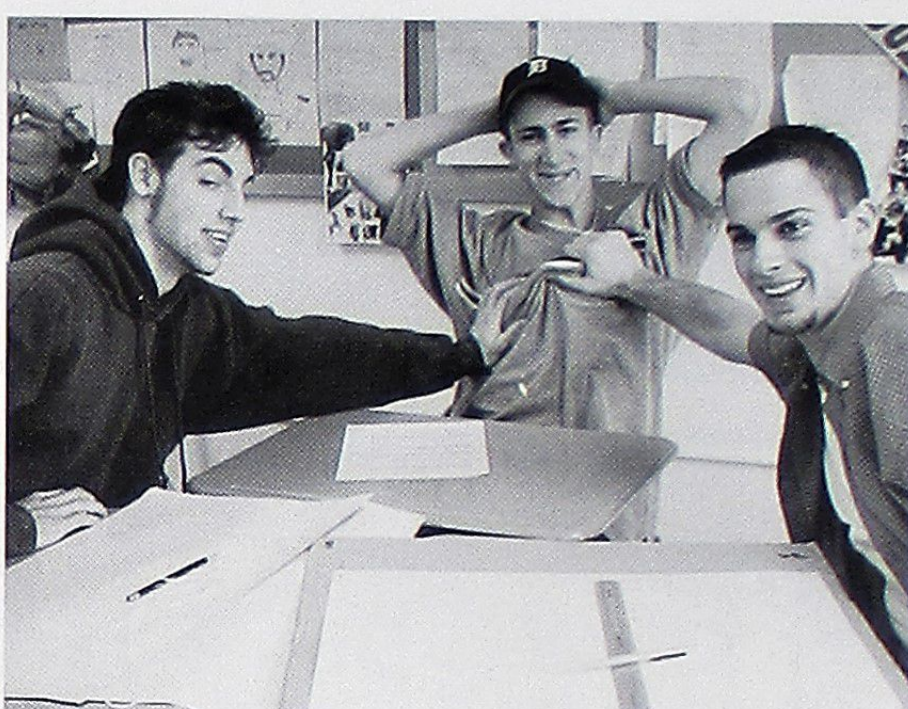

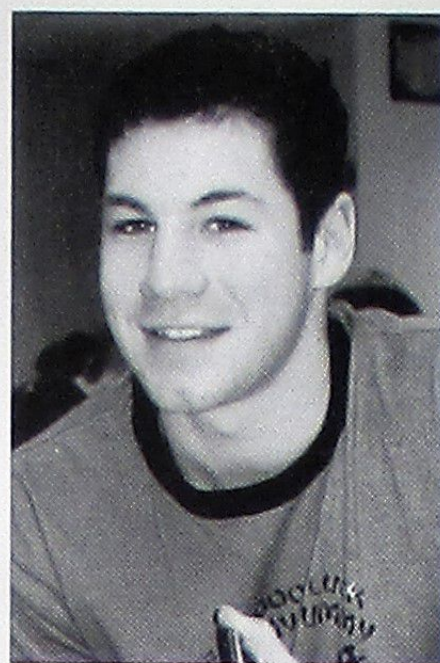

Amnesty International has succeeded this year in its efforts to spread awareness about human rights issues around the world. We wrote letters to places ranging from Liberia, Albania, Iraq, Russia, China, and even within the United States. We held an Amnesty Awareness Day through which we periodically made announcements over the school intercom system about some of the current issues. In April, Amnesty held JAmnesty, a coffeehouse for the student body. Amnesty hopes to make this an annual event. Through our growing membership, Amnesty has been able to progress with its mission of awareness and the fight for human rights throughout the world. Amnesty International is sad to see Mr. Naughton leave as our advisor; without him, this year would not have been possible. Nonetheless, we hope that the Millis chapter of Amnesty International continues to strive in its efforts.

Although we started the season with a relatively young team, this turned out to be our best season yet. Our record was 14 – 7, which qualified us to make the tourney, with that record being 2 – 1. One of the best games was against Bellingham, which we won and the game where we came back after being 10 points down to beat Holliston. A major highlight of the year was finally getting new uniforms! Just having the opportunity to make it to the semi-finals was great, and although we lost 4 – 1 to Medfield, it was one of our best games.

This was our eighth straight season over 500 with an 8-2 record. The season was highlighted by a 24-21 last minute victory over League Champions Bellingham and a 41-6 massacre over Thanksgiving Day rivals Medway. Unfortunately, a heartbreaking loss to Hopkinton late in the season prevented any chance of the team going on to post season play. From the seniors: our time playing Mohawk Football has been some of the greatest times of our lives, and we would like to thank the amazing coaching staff for getting the best out of us.

This year we didn't have a successful season as we had hoped, but we did have a lot of fun with our new coach Tom Dolan. We also welcomed two freshman, Libby Howley and Tina Shuker who were a big help towards our team. We also had many TVL All-Stars on our team – Chirstine Cushman, Lauren Coleman, Shannon Carey, Shirin Parand, and Jessica Hegggar. Good luck next year!

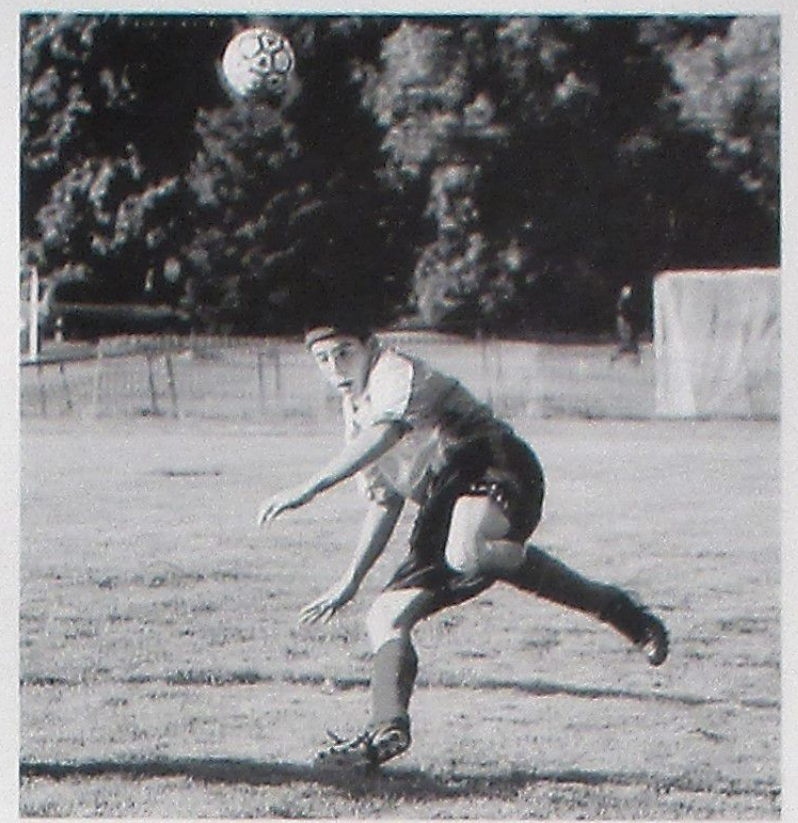

JV Back row: J. LaCroix, M. Duffy, C. O'Keeffe, A. Duffy, J. Burstyn, C. Strange, T. Barr, K. Hilliard, Coach Rich Wilson. Front row: M. Mastrangelo, C. Heggart, J. Ward, S. Johnson, S. Kemp, K. Landau, B. Davis.

We didn't have that good of a season, record-wise, but we had fun. There seemed to be many red and yellow cards, and no one will forget the fight against Holliston. We stayed a team throughout the season and Coach O'Keeffe made sure we were having a good time. Our final record was 3 – 14 – 1. Although the numbers make it look like a bad season, we had fun and made sure that the other teams remembered when they played us. Soccer is cool.

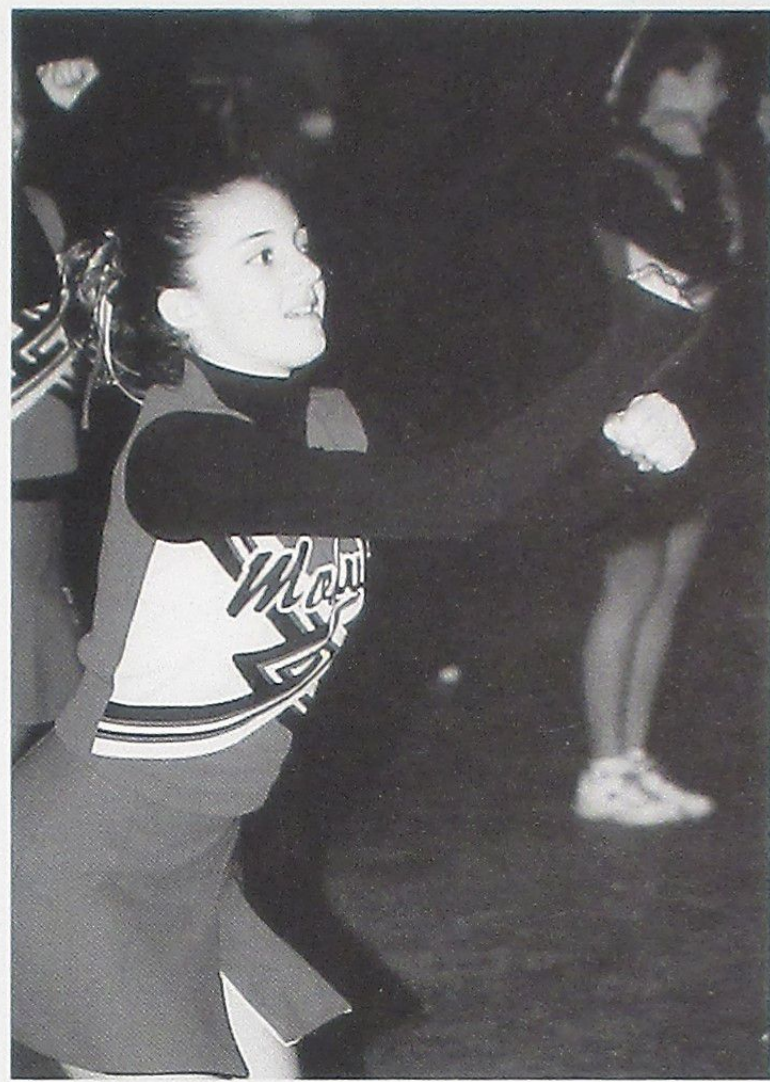

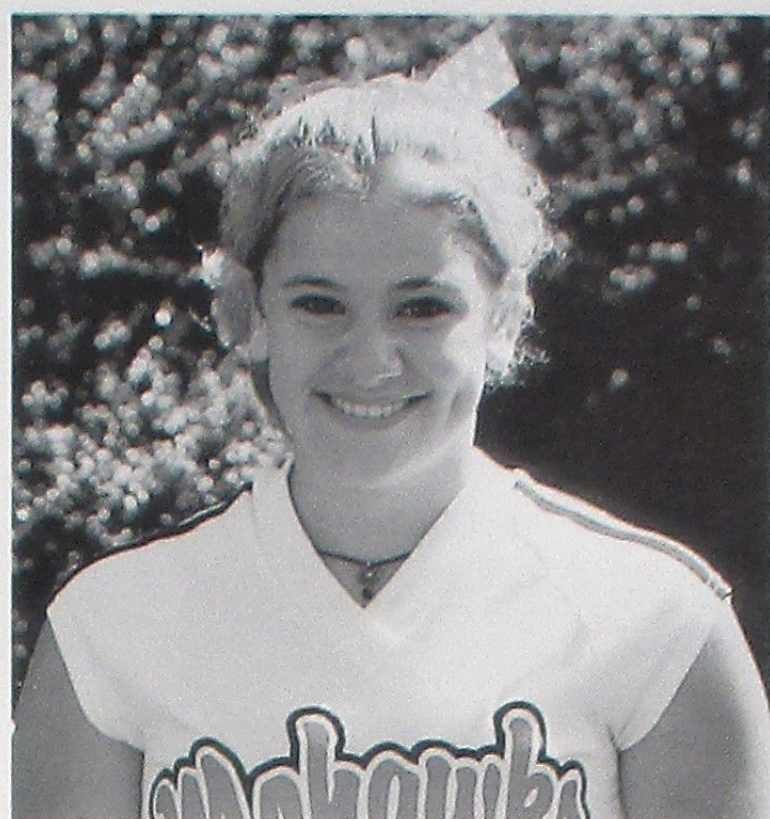

JV Back row: PJ O'Keefe, D. Anderson, J. Pennini, G. Maier, S. Micucci, B. Vogt, S. McPhee, C. Hedlund.
Front row: J. White, K. Ashe, D. Whitmore, B. McAvoy, R. Weaver, A. Chamberlain, A. Hindmarsh, C. Harlow.

Back row: Coach Scotland, W. Pyle, J. Gogan, A Podzka, L. Shohan, K. Sullivan, A. Chamberlain, N. Carvelli. Front row: L. Donovan, C. Glicklich, J. Hegggar, M. Eburn.

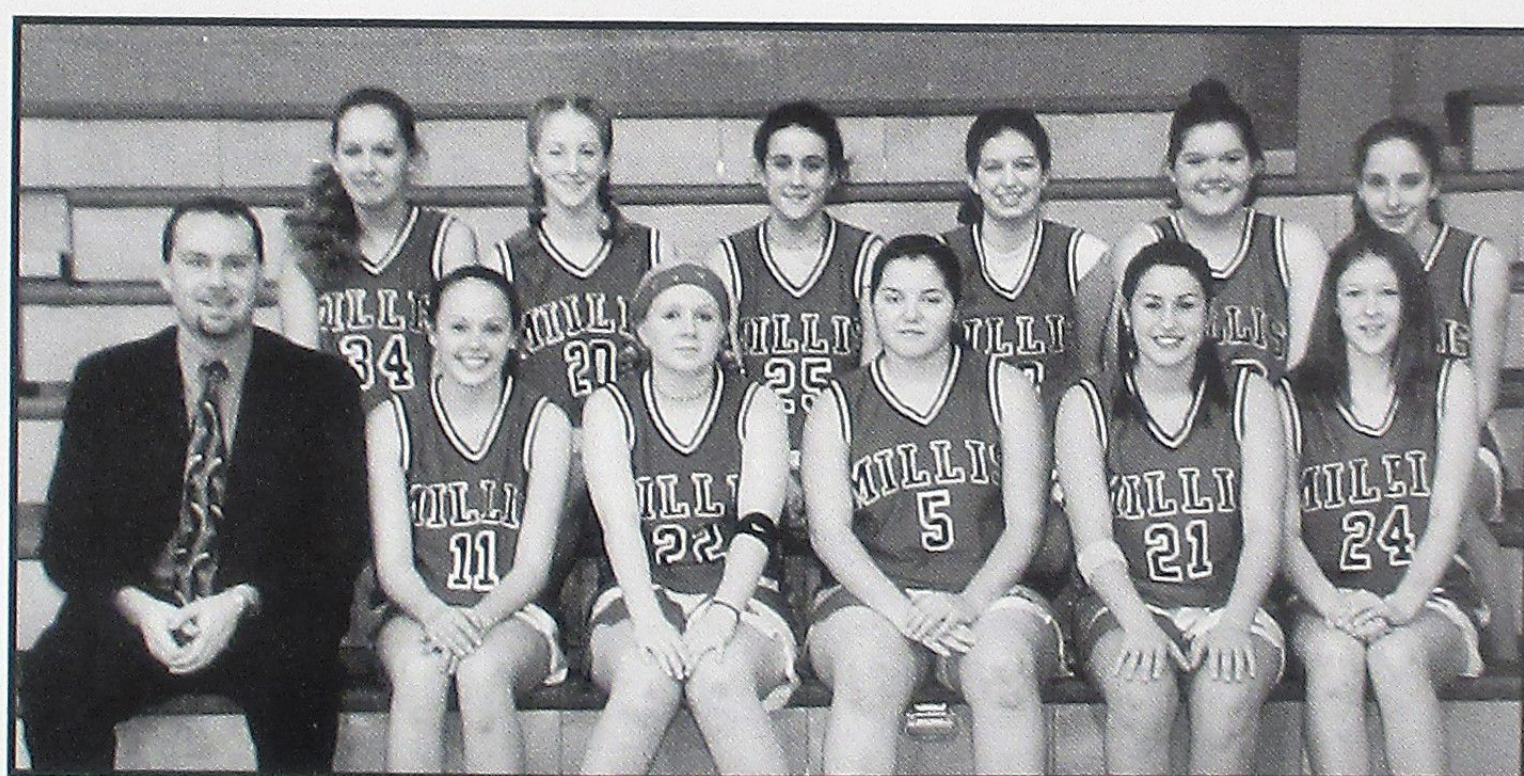

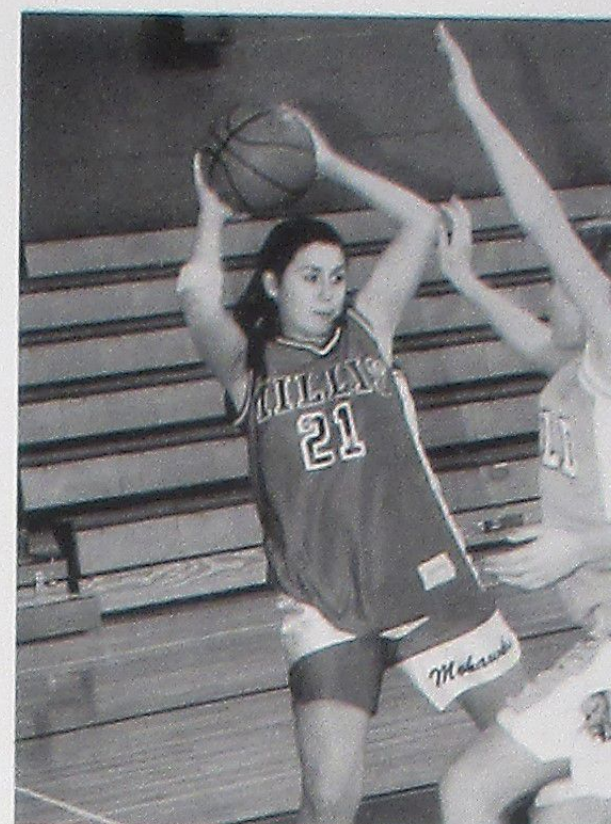

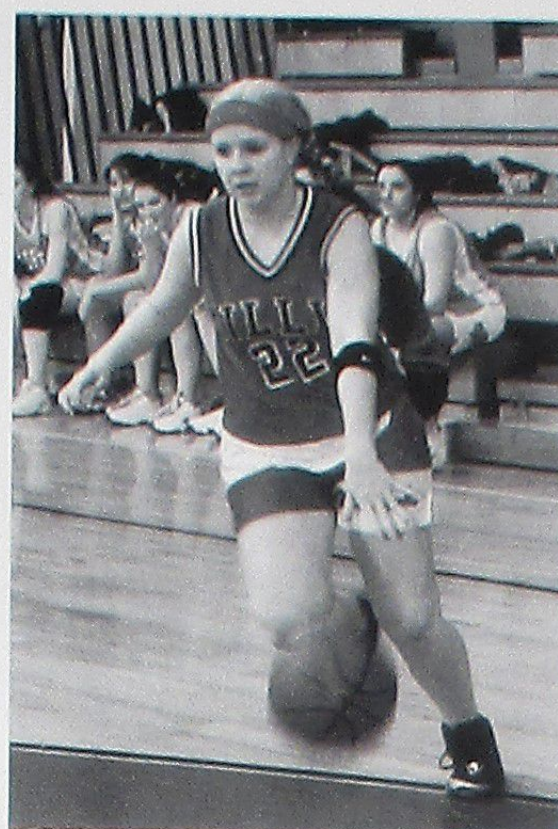

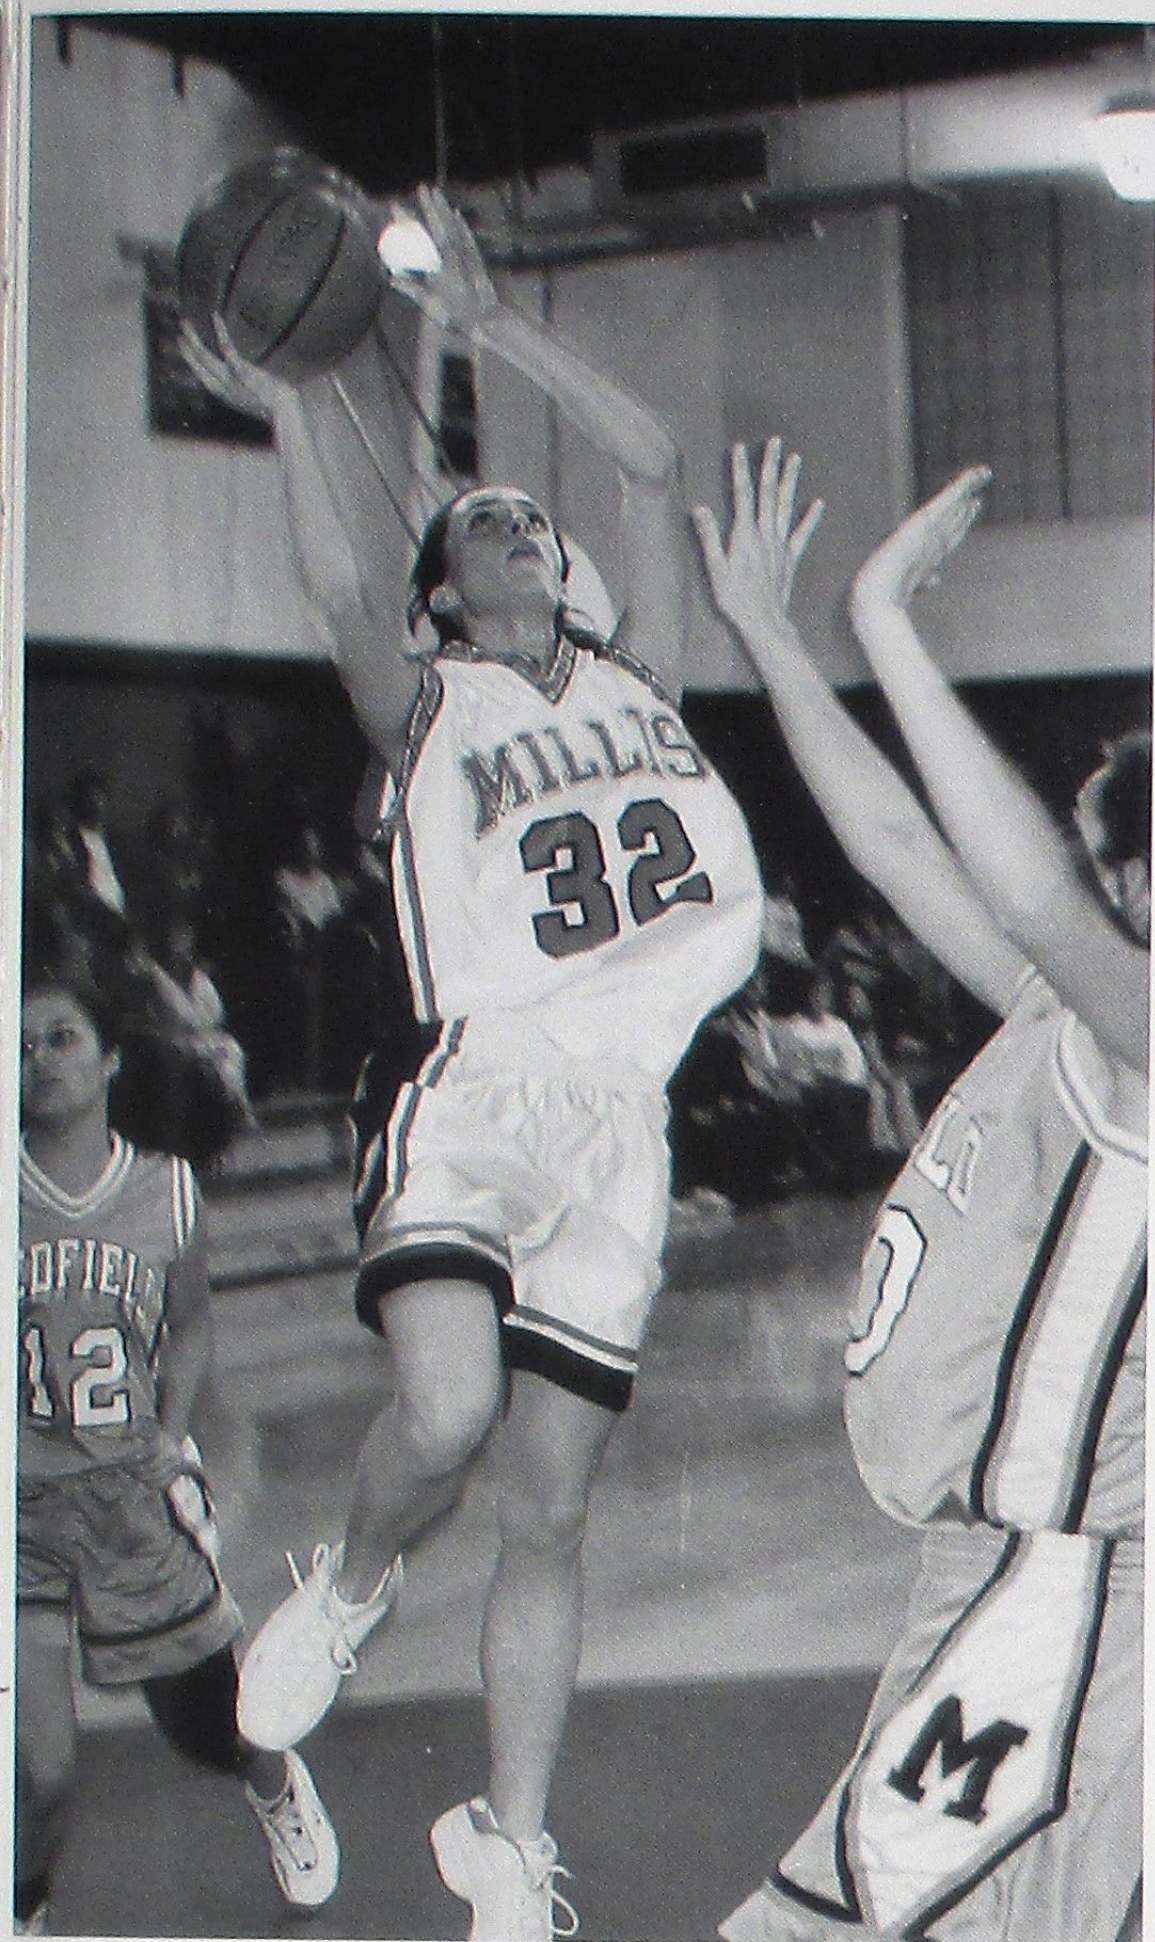

The fall season started off tough, but with three new coaches and a new season, the cheerleaders improved tremendously. It was an exciting season and we cheered at a lot of important games. The boys basketball team took us to the FleetCenter which was one of our most memorable experiences. We had many accomplishments during the winter season. We came in third place at the Tri-Valley League competition. The following week we were titled Division 4 South Sectional Champions. That following Sunday we competed at the State competition, where we came close to qualifying for Nationals. This was truly the best season the cheerleaders have had in a while.

Girls' Basketball

Overall we had a pretty good year. We finished with a final record of 19 – 8. Scott scored 1357 and beat the school's scoring record, and he was a league All-Start. His jersey will be retired next year. Once we got in the tournament, our team really came together and everyone played above his potential. In the first game we rolled over Upper Cape, beating them by 40 points. Then the exciting games began. Thomas won the Avon game with a last second three pointer. Then in the Cathedral game, Tim and Joe helped seal the game in the second overtime with key free throws. The Westport game really took a lot out of us because it was the first time in the tourney we had to come back from a huge deficit. Alex and Dave helped spark the come back and Thomas again hit a three in the final seconds to seal it to overtime, where we pulled it out. The FleetCenter game against St. Mary's wasn't our best. We just ran out of gas. But it is a memory none of us will forget.

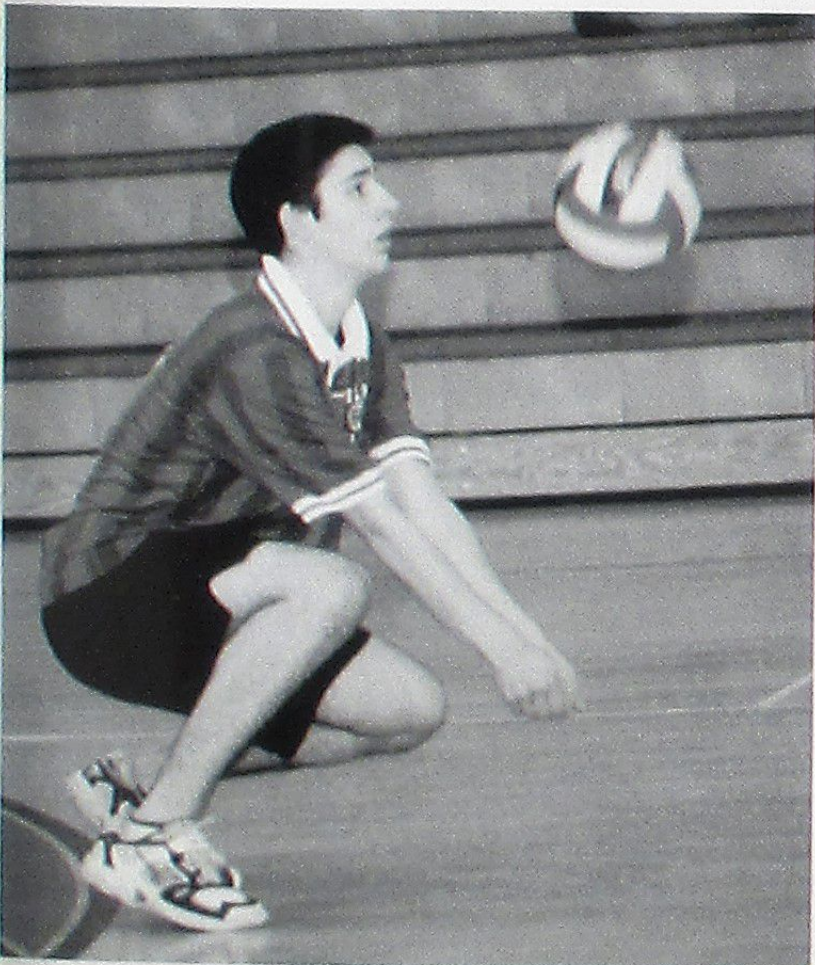

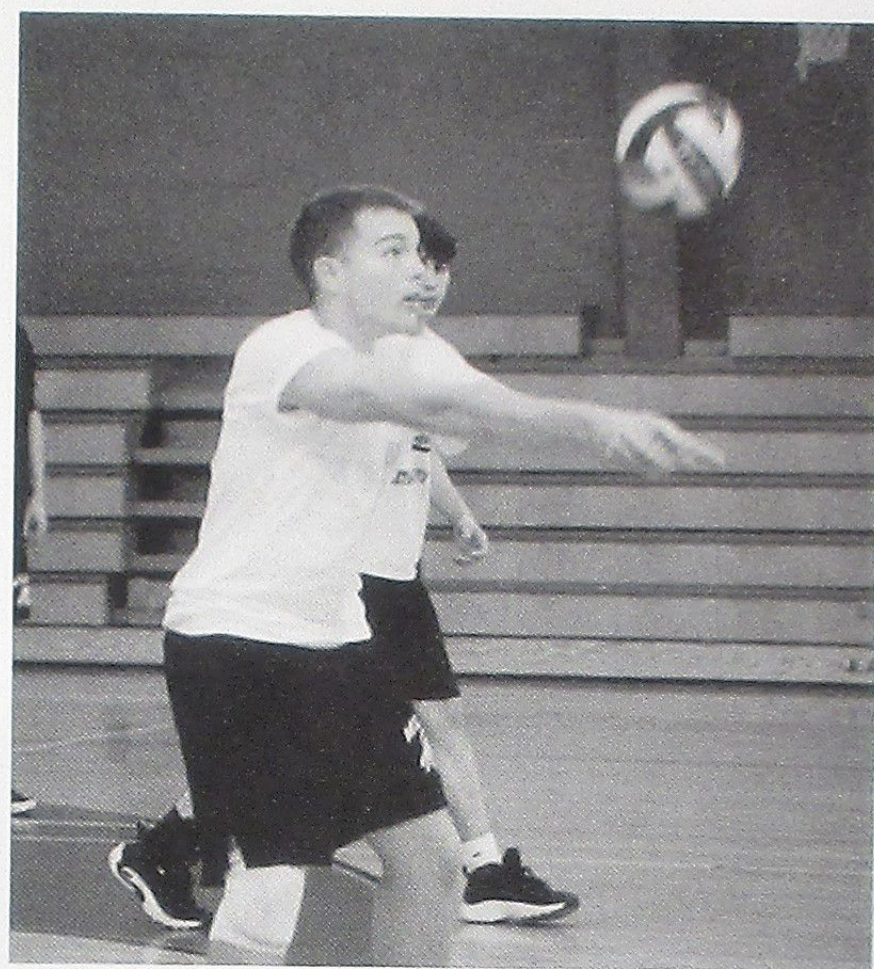

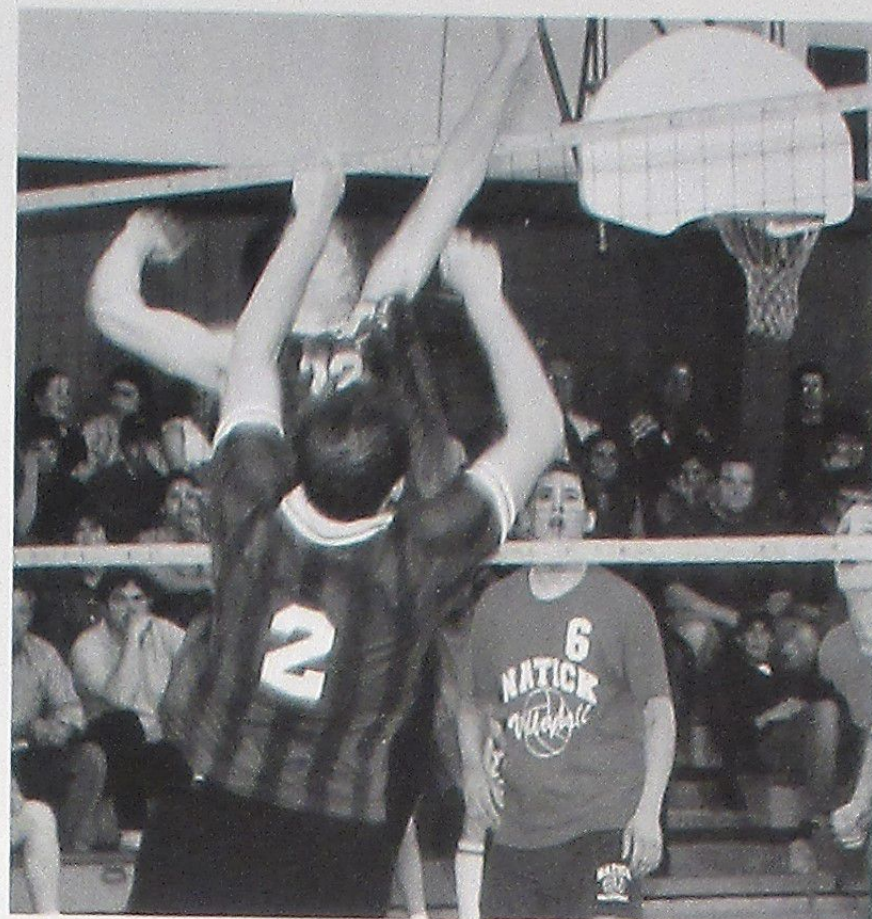

JV Back row: A. Fournier, D. Karrissey, D. Pearl, J. Heffernan, F. Dick, J. Shuker, Coach. Front row: T. Rae, Y. Poindujour, B. Rose, K. Joyce, W. Rodrigues, D. Clancy.

Mens' Volleyball

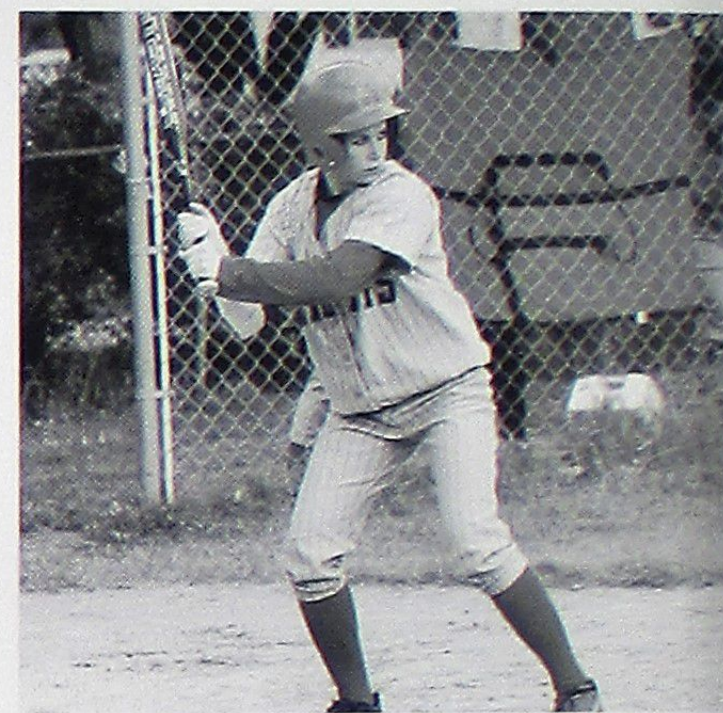

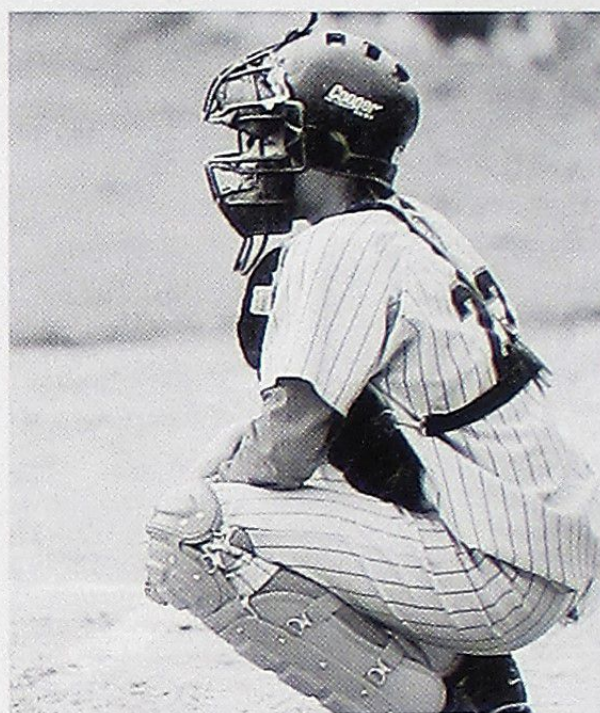

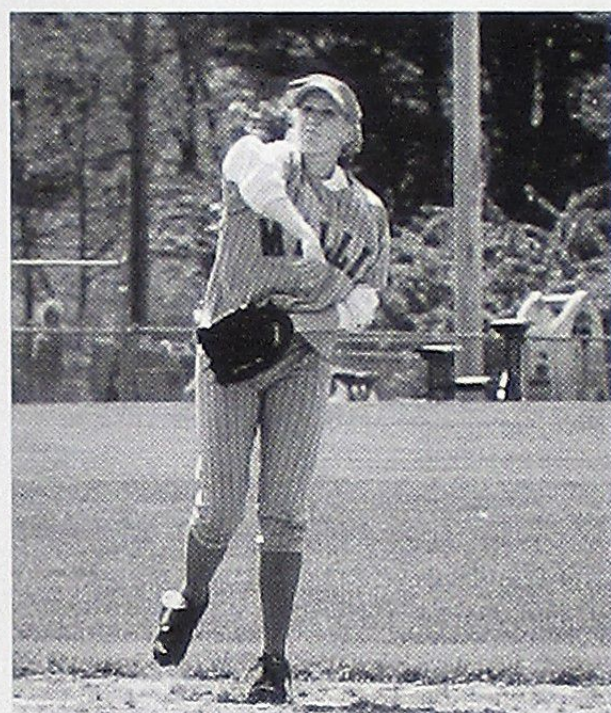

Varsity Back Row: M. Duffy, D. Coleman, S. Miccuci, K. Wessling, S. Maier (Capt), T. Newman (Capt), R. Whelihan (Capt), G. Maier, D. Miccuci.

This season the Mens' Volleyball continued to be a force in the league. They began the season knowing that they should get into tournament play and that is what they did. The team finished the season seeded 5th in tournament play allowing them a buy for the first round. They won the second round but unfortunately lost to St. Johns Prep in the semi-finals. The team hopes to come back next year stronger than ever.

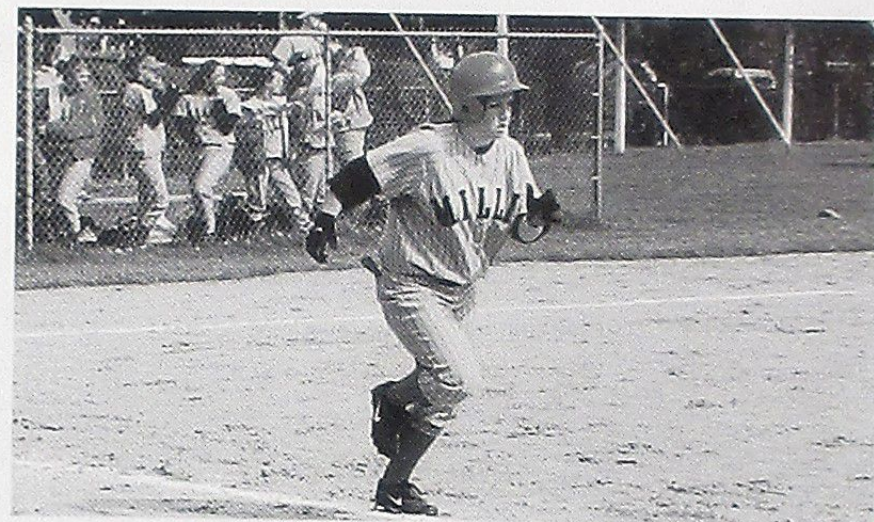

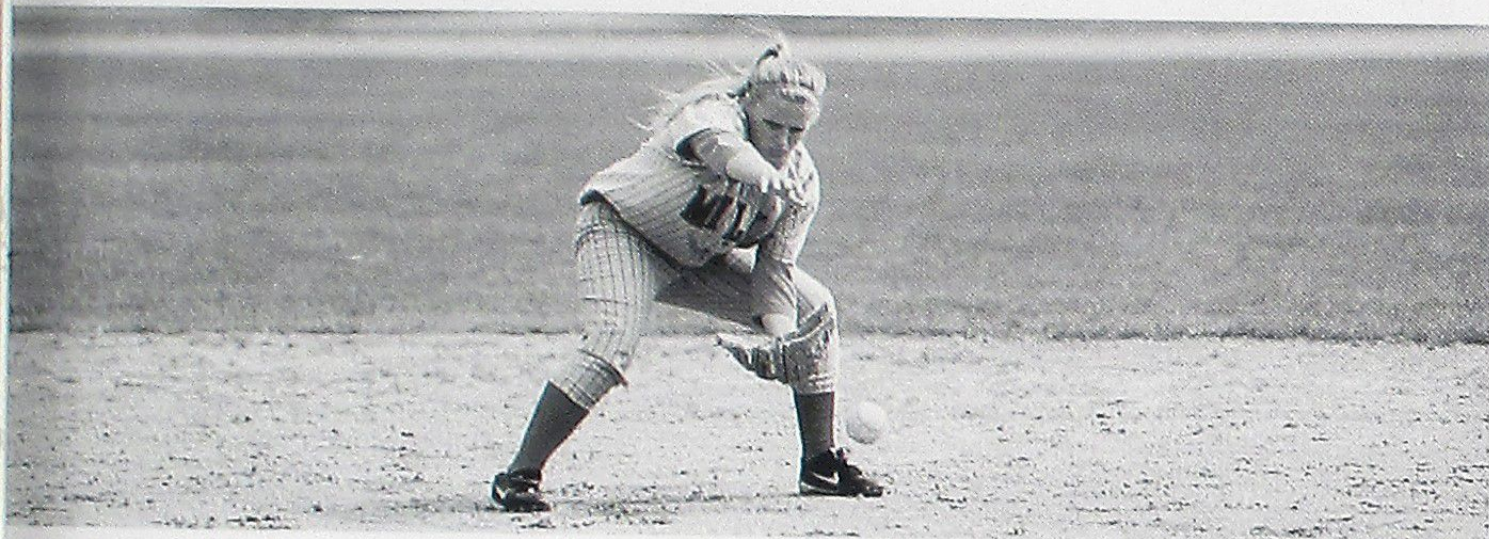

Softball

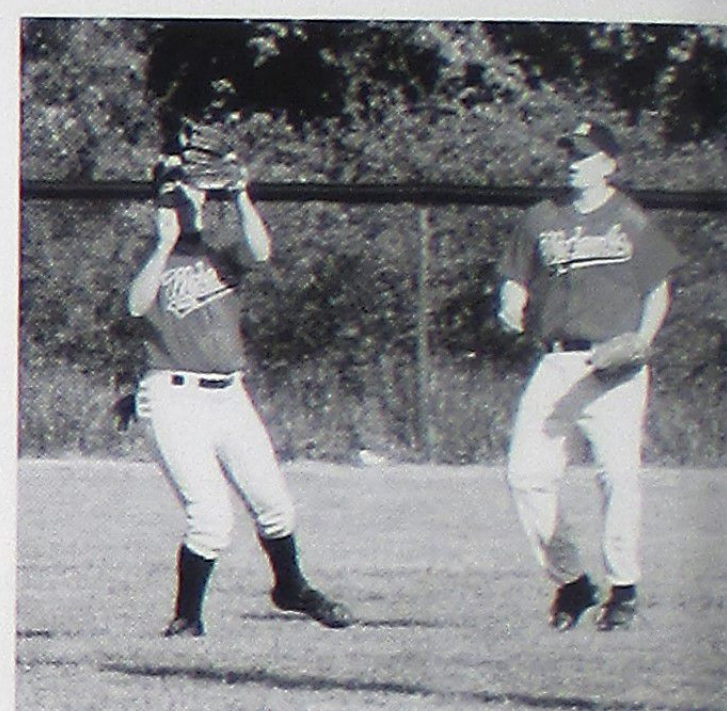

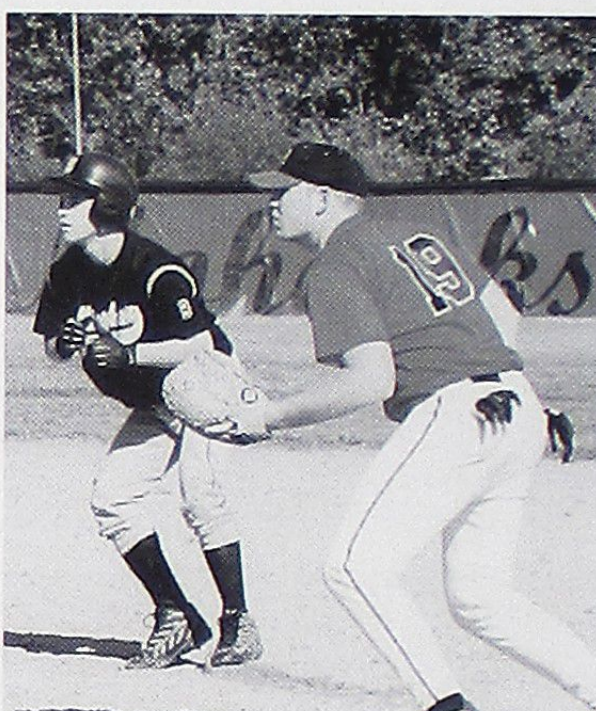

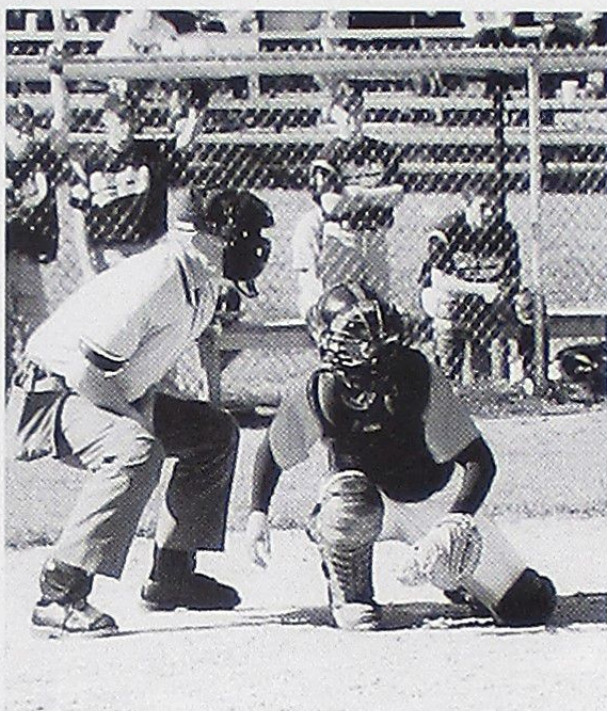

Varsity Back Row: Coach Conley, H. Farricy, K. McAvoy, A. Gordon, N. Santospago, C. Simms, M. Elroy, Coach Hedrick. Middle Row: K. Madge, M. Tocci, D. Manzon, J. Ward, A. McElroy, A. Aulenback. Front Row: S. Patzke (Capt), J. Warnick (Capt), S. Tocci.

The Softball team began this year with a new coach and a new attitude. The team did not begin the season strongly but improved as they played. At the end of the season they had made it into tournament play! The team made it through two rounds of tournament play before they were beaten. Looking back on the season, the team had a great time and look forward to next season.

Baseball

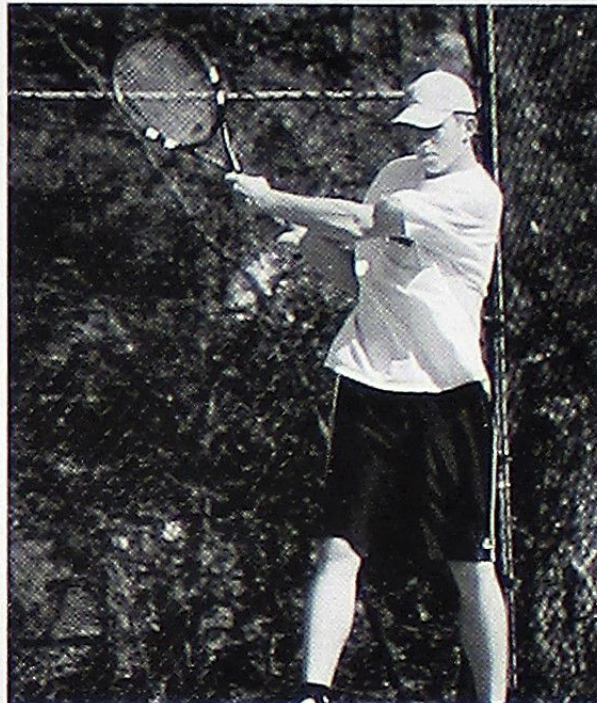

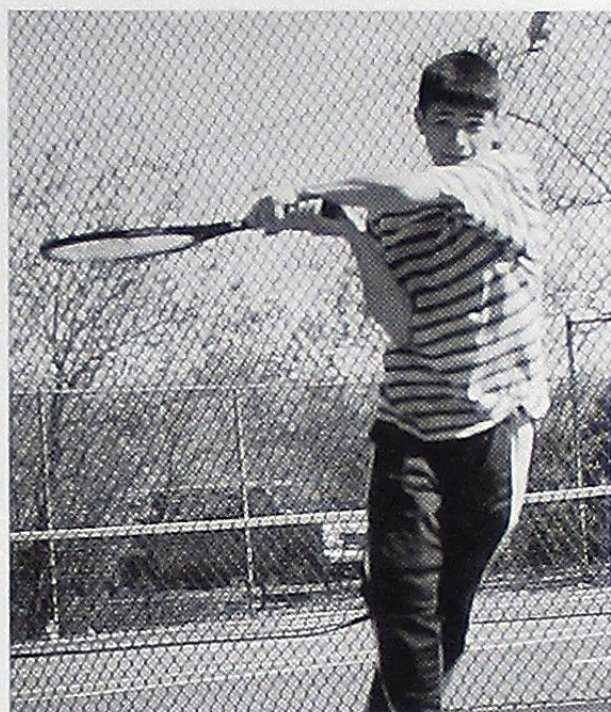

Varsity (l-r): Coach Wilson, K. Joyce, D. Brauninger, R. Davis, D. Anderson, B. DiMarino, C. Fair, D. Waters, M. Ferraro, T. Duffy, A. Billings, M. Johnson.

The team had a rebuilding season with the loss of key players. The season ended with a 8-12 record. Both Mike Johnson and Captain Bobby DiMarino made the Tri-Valley All Star team. Captain Roy Davis contributed as a coach because of an injury and received honors for his effort from the League. Kevin Joyce was the Co-Rookie of the year for the TVL. Hopefully next year will be the year that Millis can end the streak and make State Tournament.

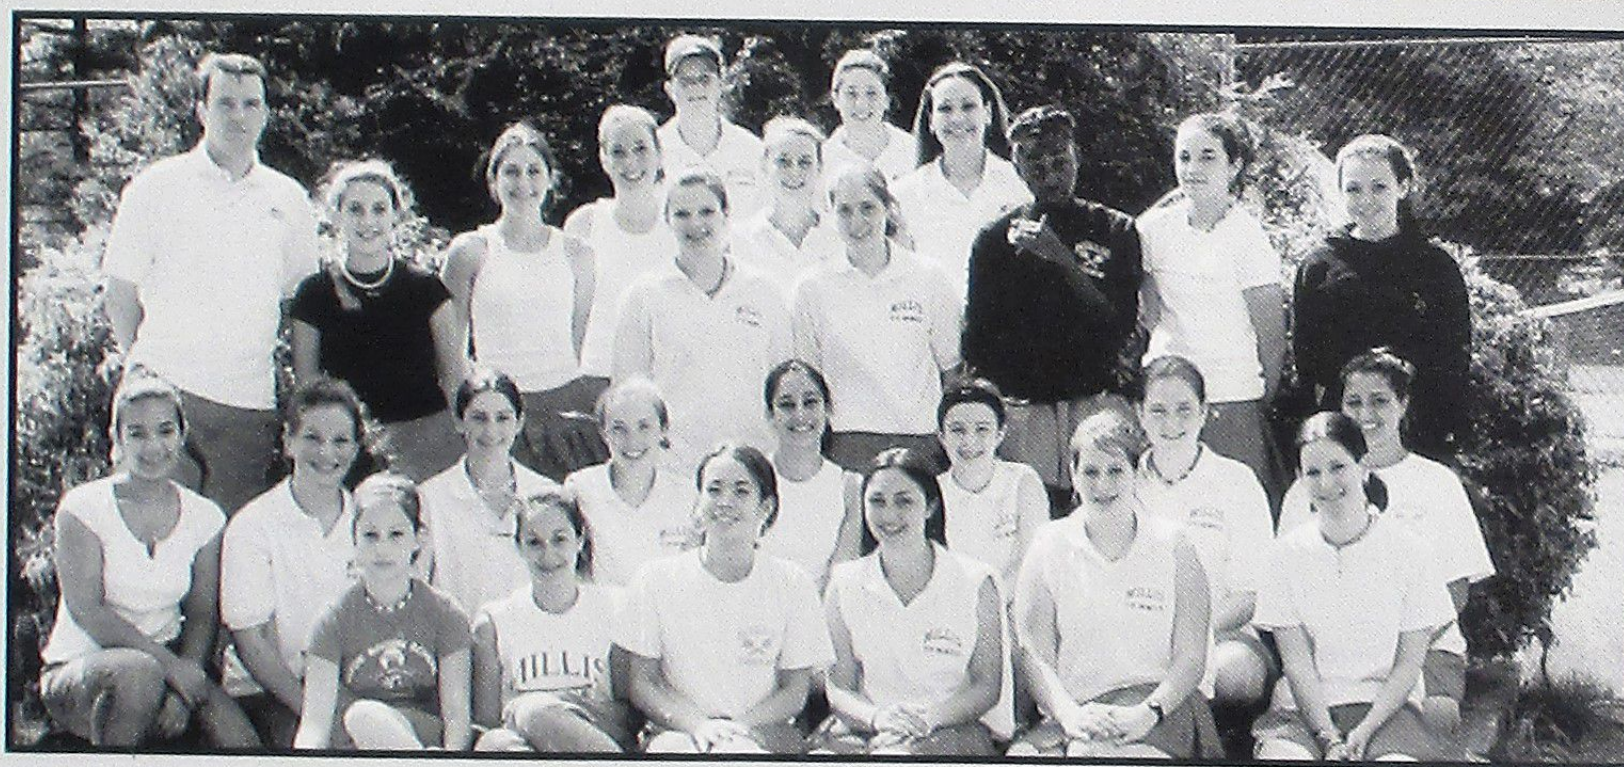

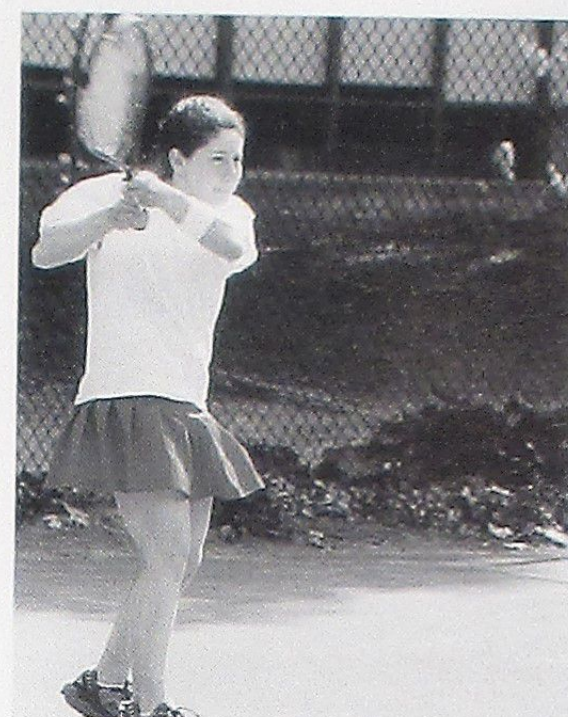

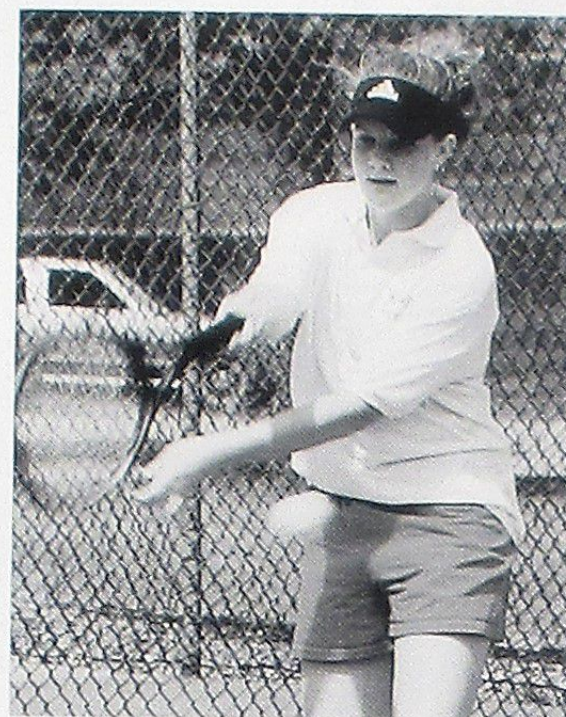

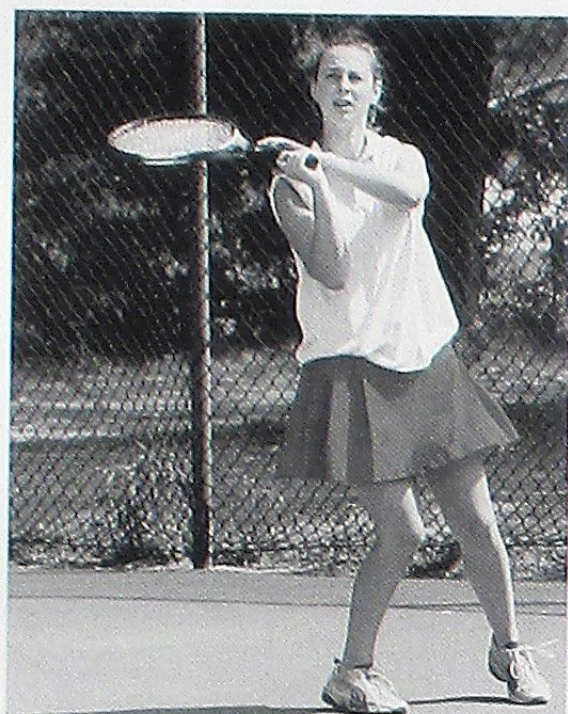

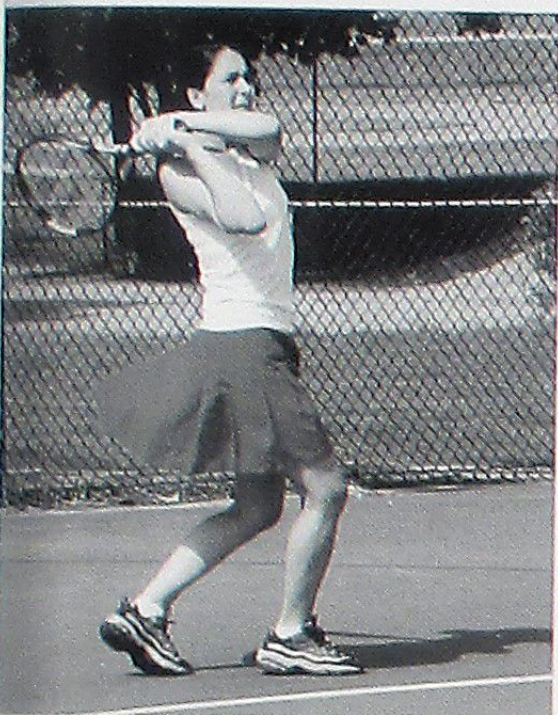

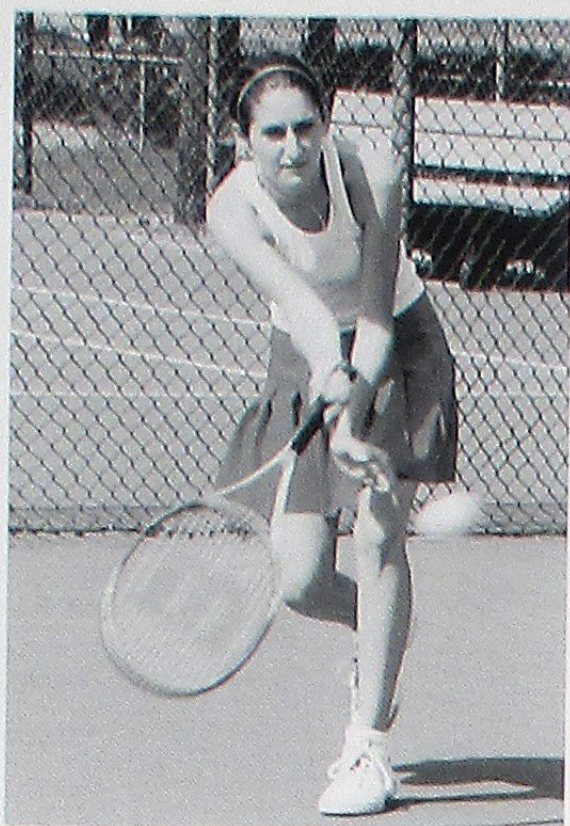

JV Back Row: J. Smith, J. Ellsworth, C. Duchaney, P. Lesbirel, A. McConnell, M. Wilson, K. Powers, B. Rose, T. Greer, Coach Adams. Front Row: M. Proe, R. Gatie, J. White, C. Volpicelli, K. Gledhill, J. Roberts, D. Anderson, S. Maintanis.

Tennis

Varsity Back Row: M. Kennedy, B. Sprague, D. Kerrissey, J. Pearl, A. Fournier. Front Row: Coach Gagne, W. Rodrigues, C. Luvisi, J. Hansen, M. Reardon.

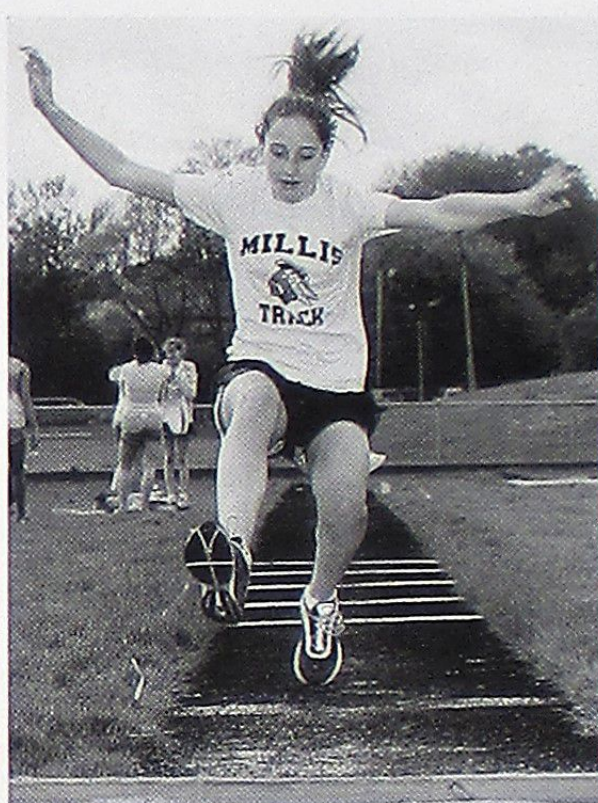

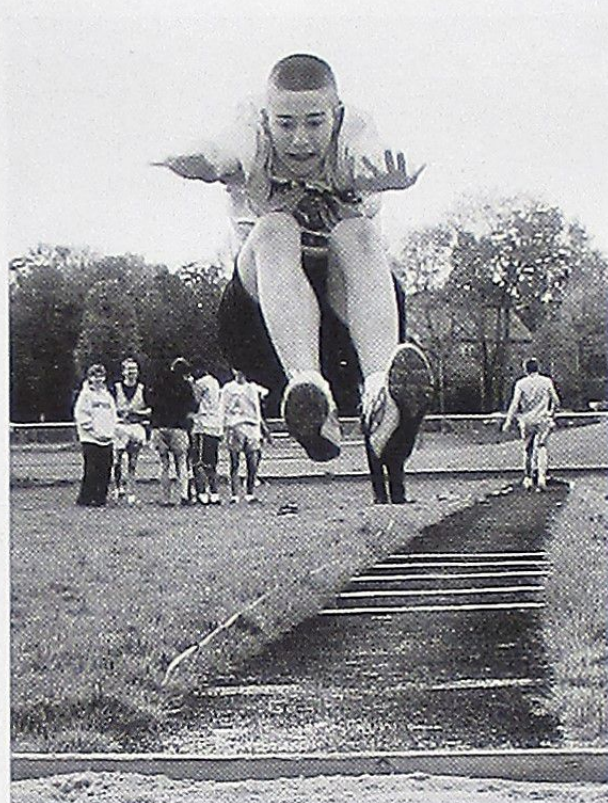

The 2002 Millis Boys' Tennis team had a roller coaster of a season. After starting the season 1-11, the team finished the season strong. Led by the strong leadership of senior captain Jeff Hansen the team went on to win 5 of their last 6 matches. A season high-point was their 3-2 victory over Dover-Sherborn, a team they had not beaten in the last 2 decades. The First Doubles Tandem of Junior Chris Luvisi and Sophomore Whitson Rodrigues posted a record of 14-4 and were named TVL All-Stars. Also, Millis' Second Singles, Derek Kerrissey was awesome, earning more wins at second singles for the Mohawks than ever before.

Varsity Back Row: Coach Ingraham, J. Johnson, J. Duffy, T. O'Neil, C. Curran, R. Hubbard, J. Hegger, J. Roberts, S. Thompson, S. Wilson. Middle Row: A. Talabach, S. Nazzaro, S. Johnson, F. Northgraves, A. Main, M. Divver, J. Garland, A. Skenderian. Front Row: M. Wanders, J. Carn, P. Richards, K. Ingraham, A. Duffy.

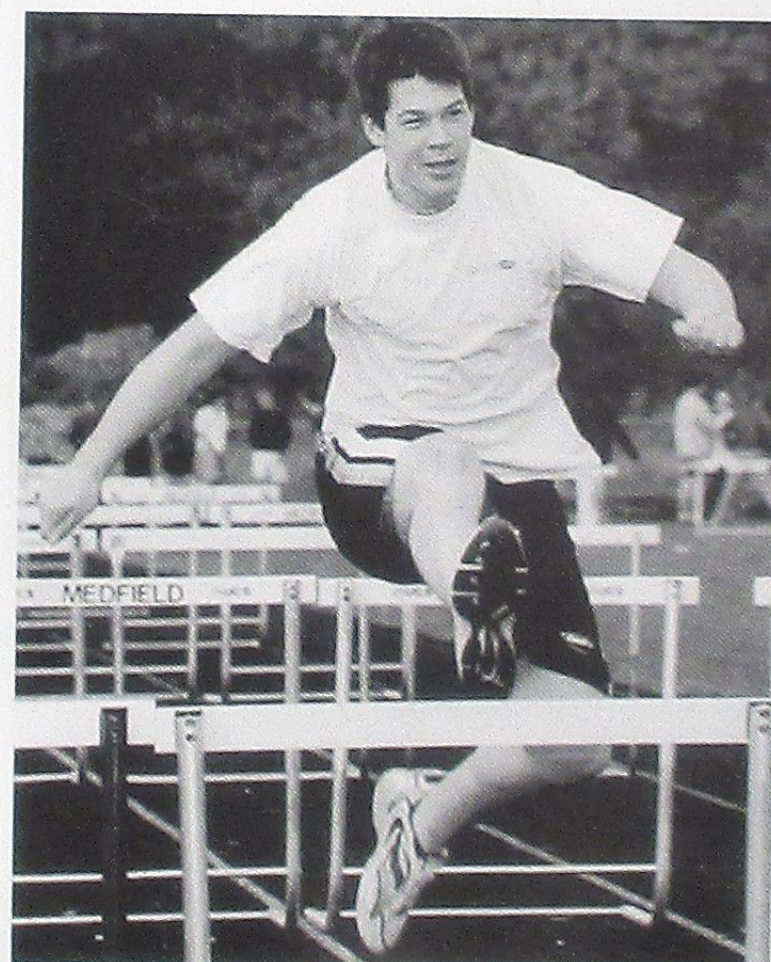

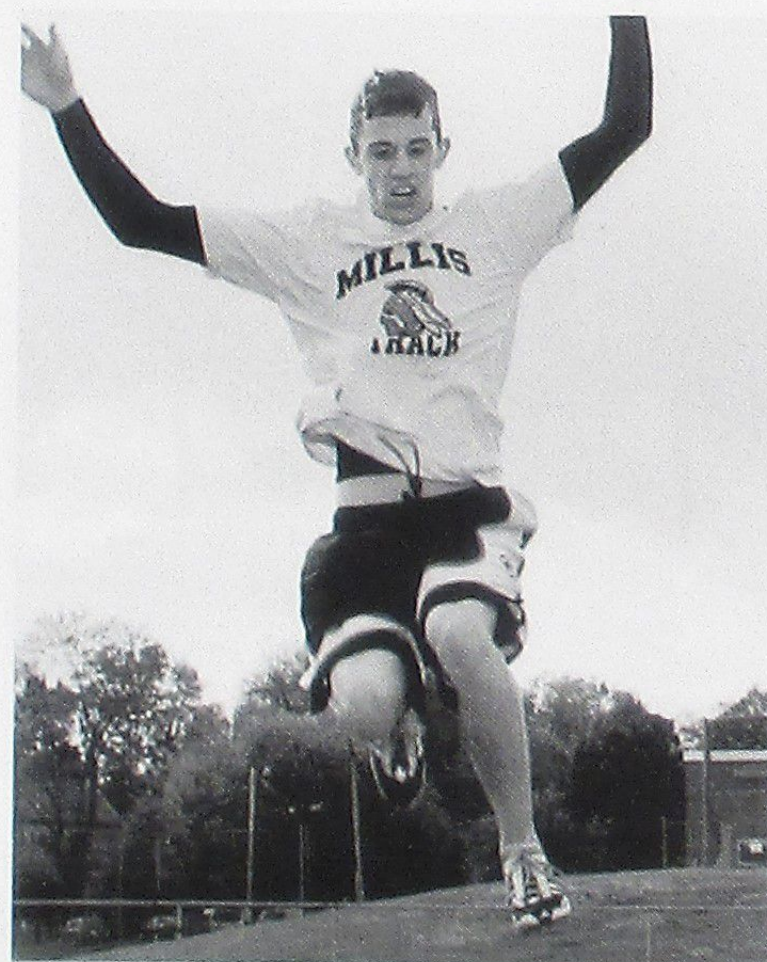

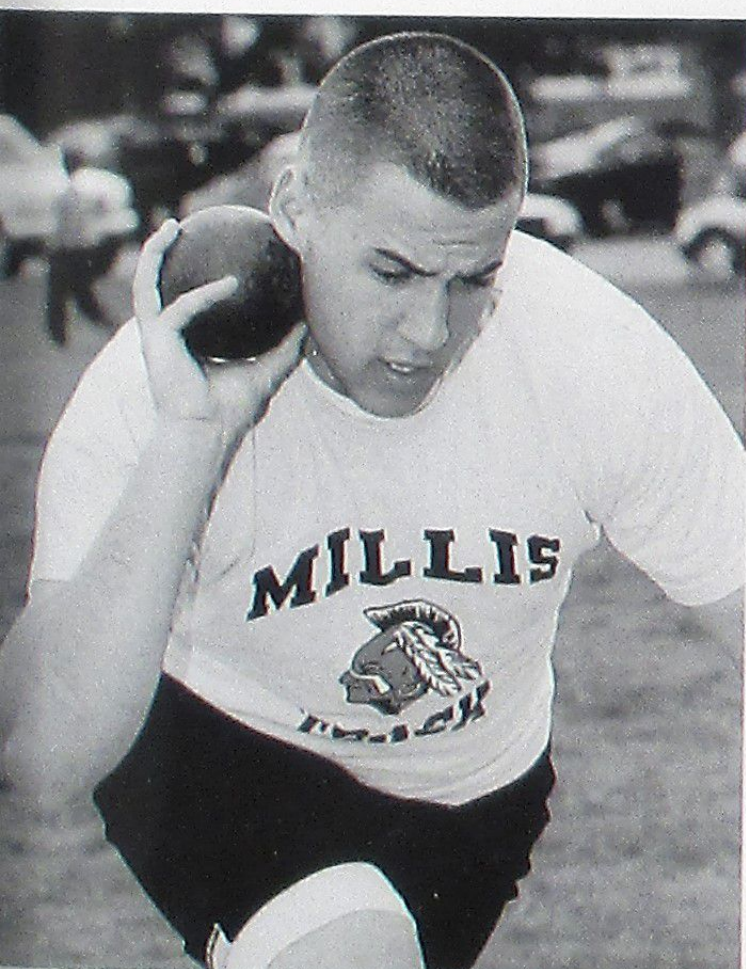

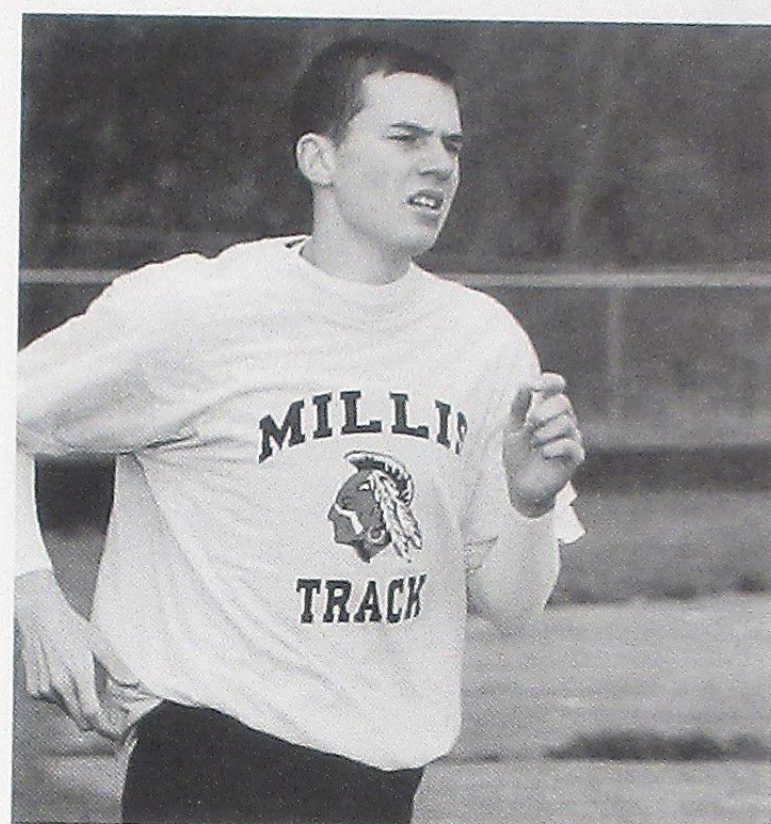

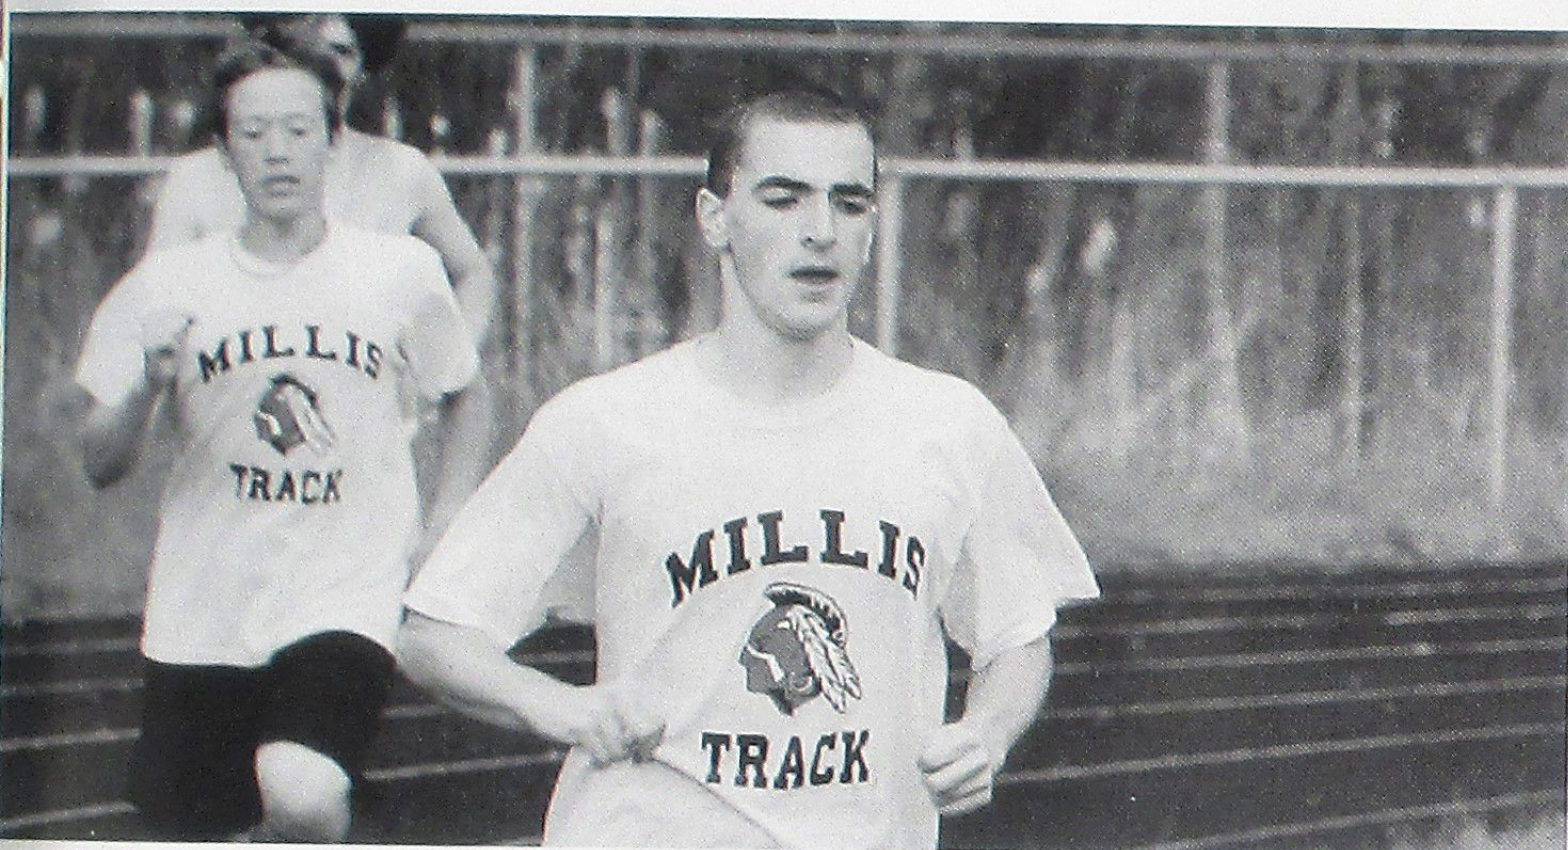

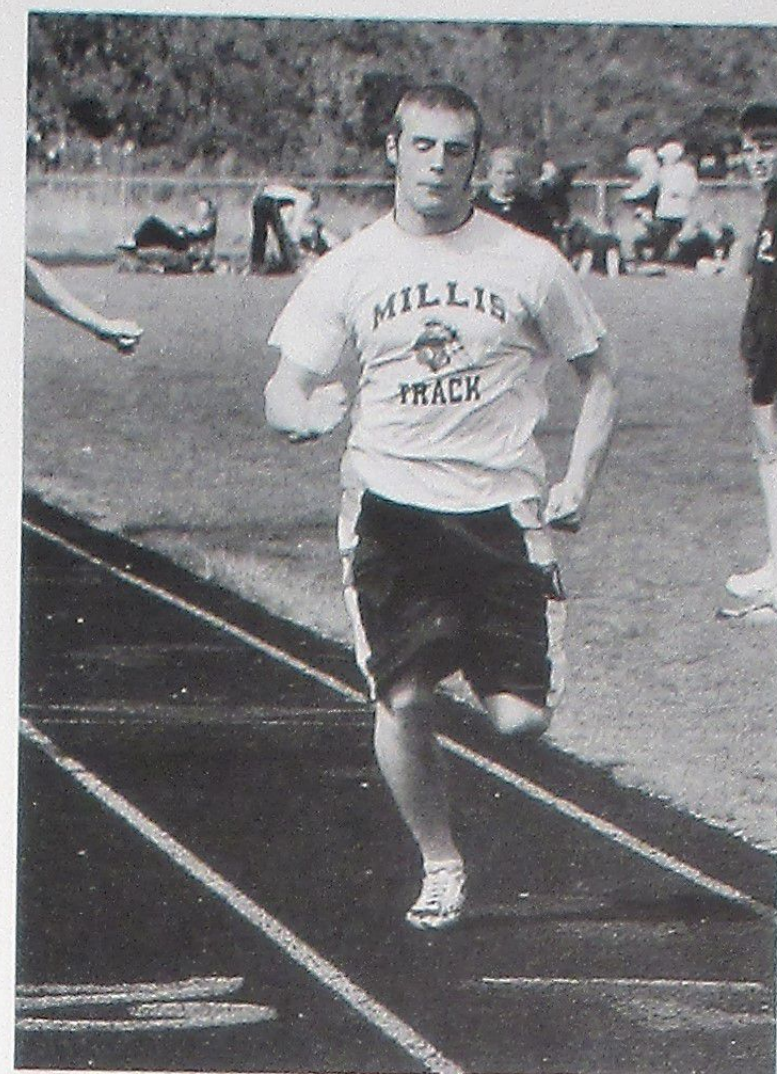

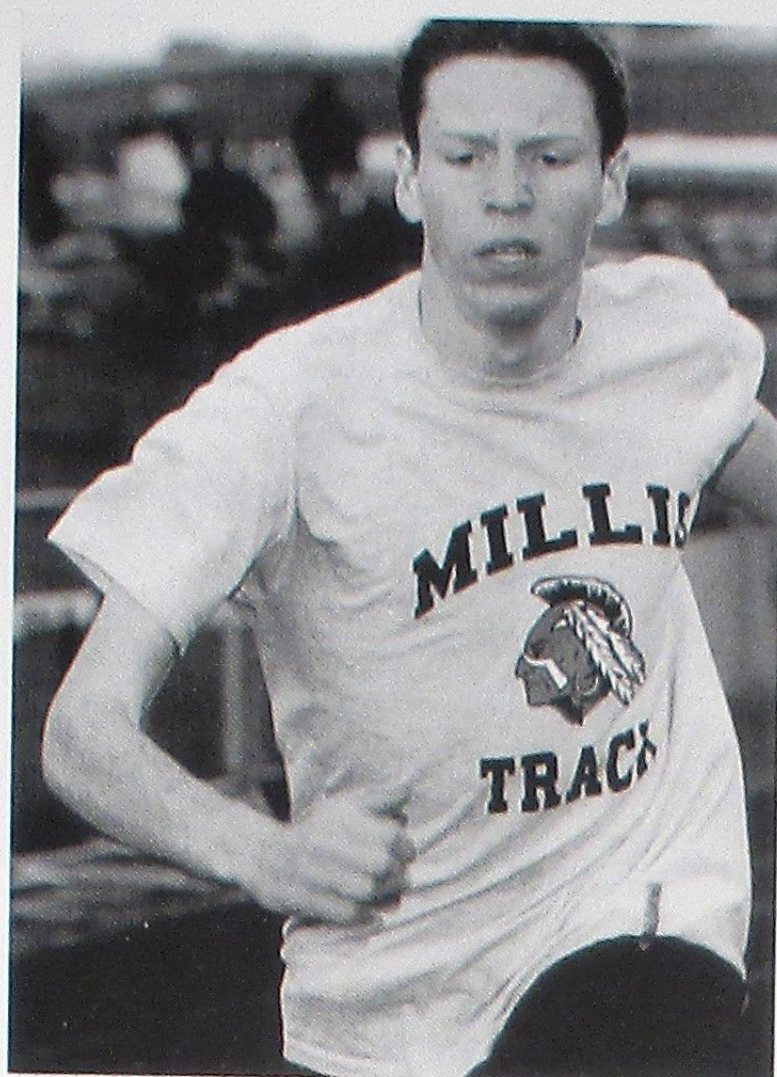

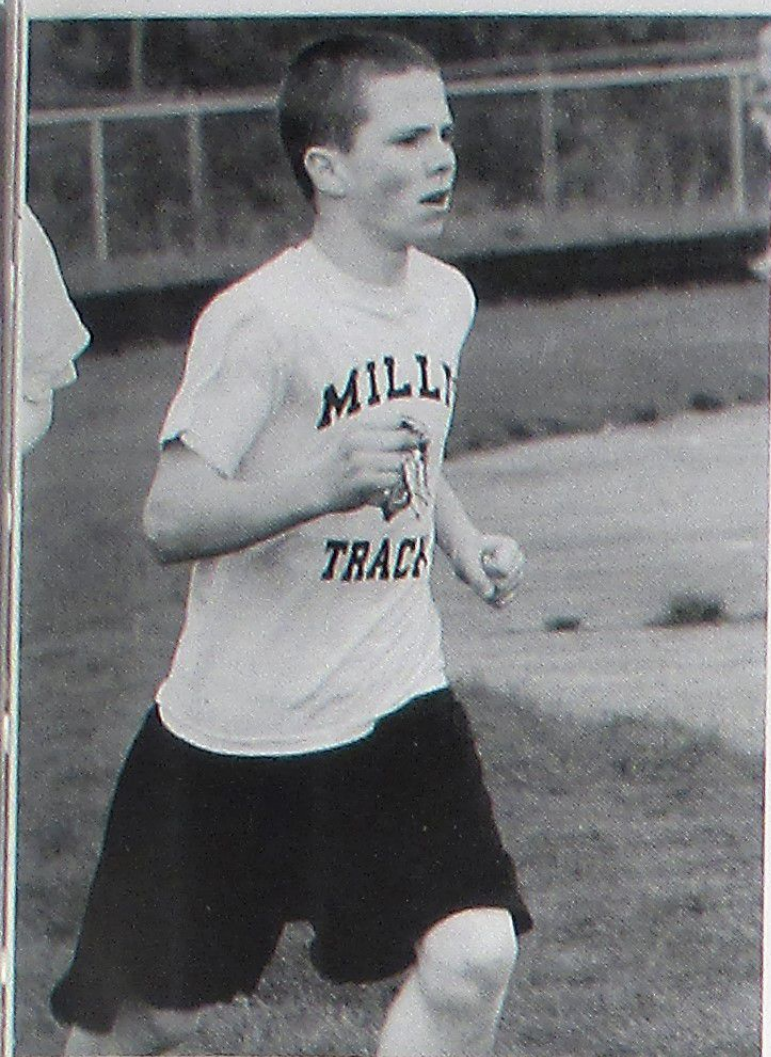

The Girls' Tennis team improved from last year finishing the season with a record of 7-11. Although we did not make the tournament we still did our best and improved during the season. We had a couple of good matches including Franklin and Westwood when only the second doubles won. We will always remember the good times we had on the team and our teammates. At the end of the season Alex Main received Honorable Mention for the Tri-Valley League and our team received the Tri-Valley Sportsmanship Award. Look for us next year in the tournament.

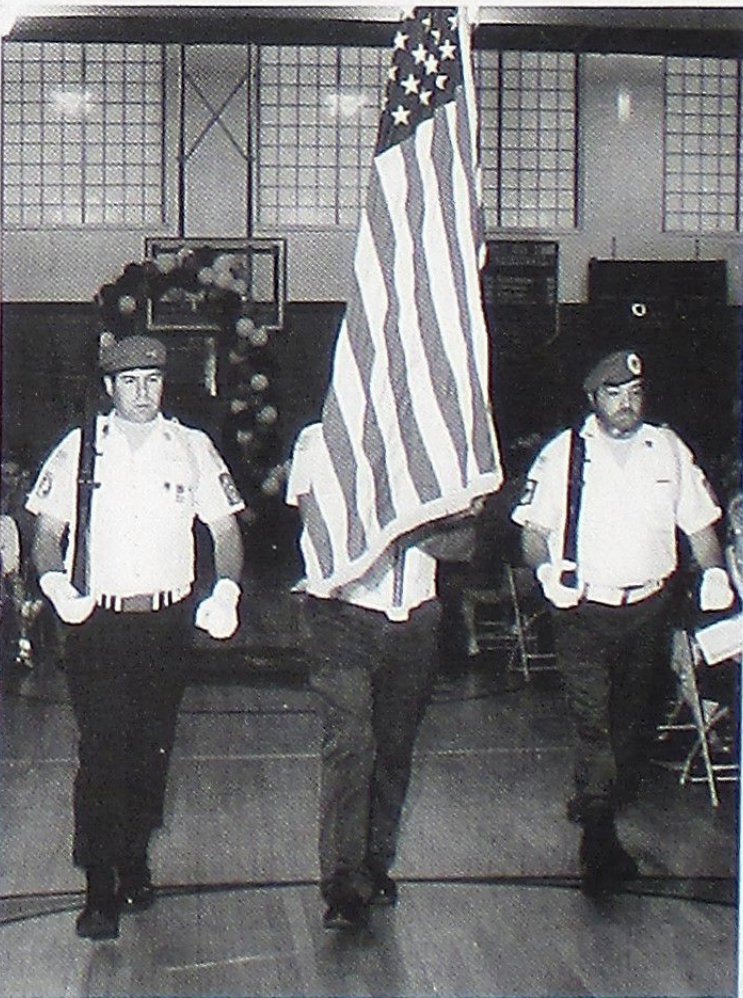

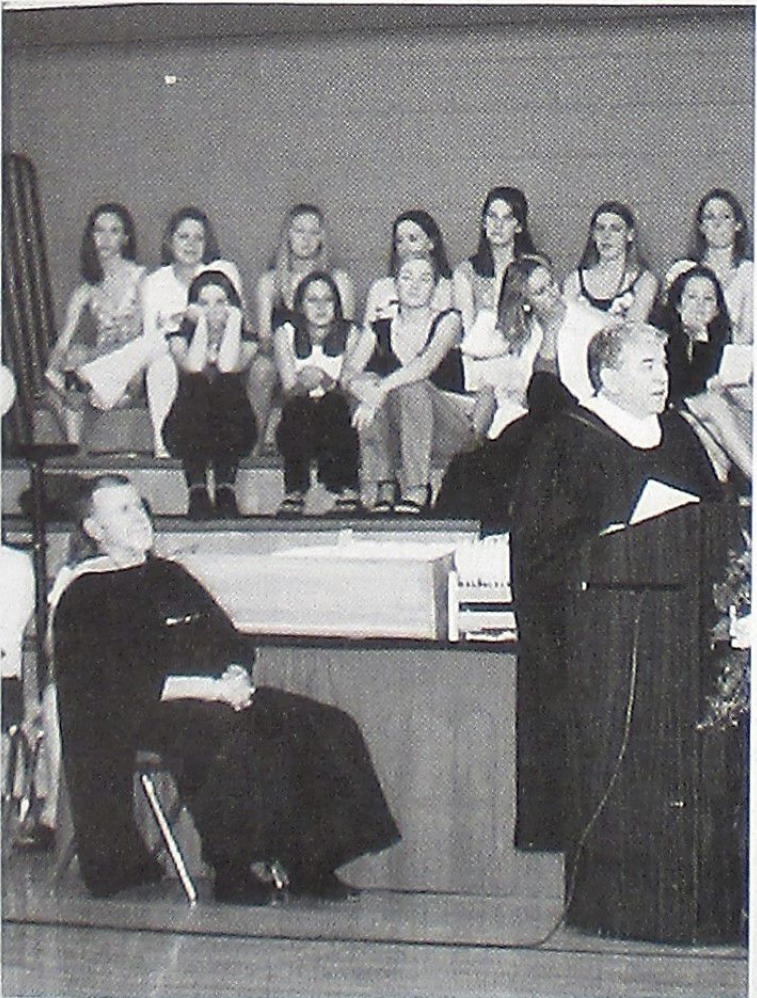

Track

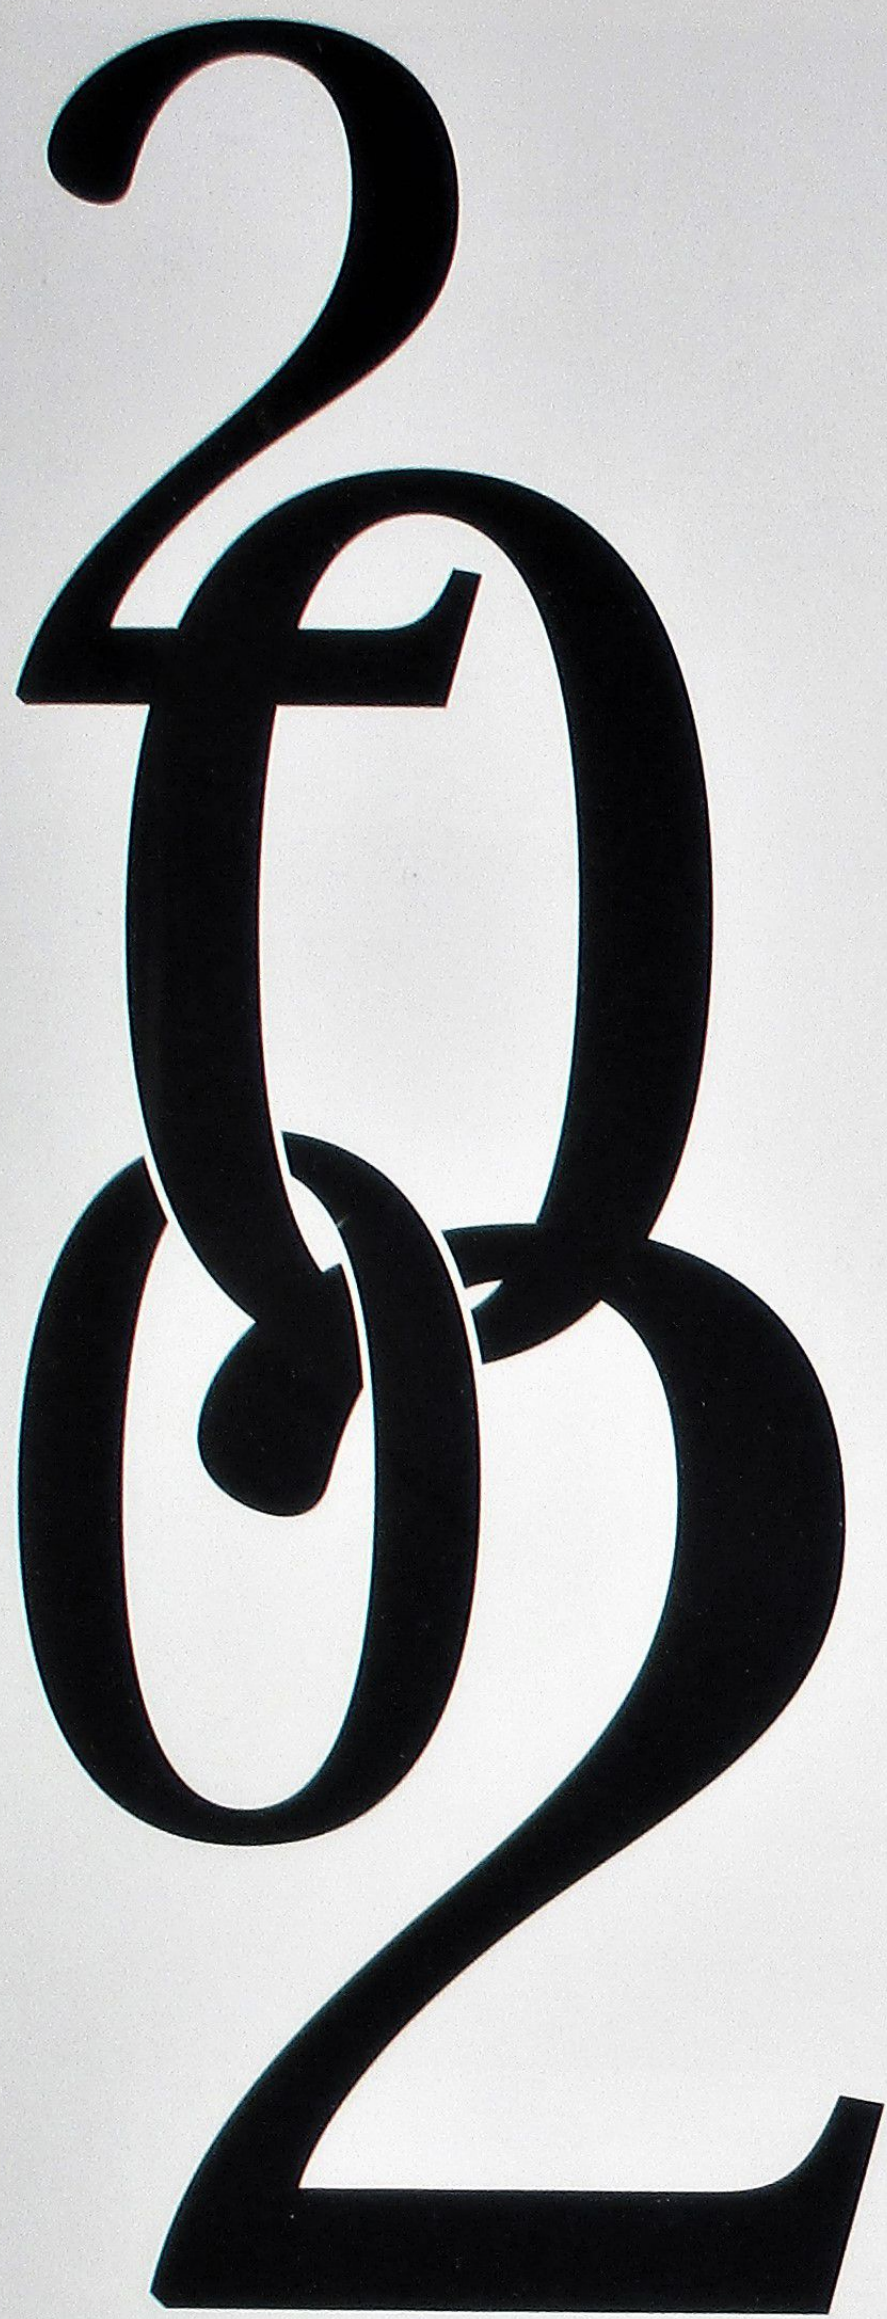

MHS TRACK

This was the first year in many that Millis had their own Track team. During the last few years the team had to combine with Medway in order to participate. It was a building year with only two seniors on the team: David Wright and Christine Cushman. Both David and Christine were named the MVPs for the team. Season highlights include: the Girls' win against Westwood; Molly Duffy breaking the school record as a 7th grader in both the 1 mile and the 2 mile; and Dave Wright coming in 3rd in the state in the discus.

Graduation

Kristen Marie Newsham
Valedictorian

Good evening Dr. White, Mr. Naughton, Faculty, School Committee Members, town officials, family, friends, and my fellow graduates:

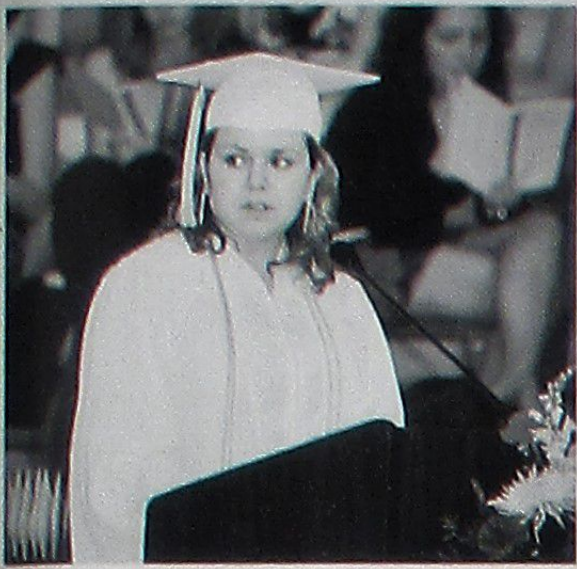

Before I begin my address tonight I would like to take the opportunity to recognize two amazing and dedicated teachers, Mr. Tuohey and Mr. Dooling. We are all privileged to say that they have taught us and that we have learned from them. Thank you for making us think "outside of the box" and for giving us so much of yourselves. Both of you may be leaving Millis High School, as we are tonight, but none of your students will ever forget you. Henry Adams wrote that "A teacher affects eternity; he can never tell where his influence stops." Without the effort, care and time of these teachers here tonight, none of us would be where we are today, and none of us would be the leaders that we will be in the future. To the teachers of Millis High School, thank you for leading us in the right direction.

T.S. Eliot once wrote, "What we call the beginning is often the end. And to make an end is to make a beginning. The end is where we start from." One path ends as another begins. Tonight, graduation marks the end of one of these paths for all of us, but we are beginning a new path into the future.

I ask all of you, my fellow graduates, to make the best of these new beginnings and to try new things. I implore you to open your arms wide and to embrace the changes that are to come. You will never know if you do not try. By always doing the same things the same way, you will keep getting the same results. If you start taking risks you may further define and discover yourself. Do not be afraid of failing. Gandhi once said, "Glory lies in the attempt to reach one's goal and not in reaching it." It is better to take the chance, to know that you tried than to wait for something to happen to you. You have to take the risk and make it happen for yourself. Today, you possess a new beginning, a commencing path, now it is time to start making your own footprints.

Before we embark upon new beginnings, I ask that, tonight we look into the audience, into the eyes of those who have led us to where we are today. Everyone here tonight is present to celebrate the Class of 2002. Our families, friends, teachers and community have given us the tools we need to make our dreams happen. All of these people are proud of you, Class of 2002, and your accomplishments. Your families are probably experiencing a tremendous relief as they sit here tonight, realizing that they have made a difference in your life and have gotten you this far. I would suggest to all of my fellow graduates that this might be a promising time to ask for money.

Although Senioritis might have started in September of our junior year, we made it through all of these months to get to this very day. We each have the ability to make it through rough times and ultimately succeed. I want to wish all of you the best of luck for the future and I hope that each of you will welcome new beginnings and new paths. The journey has not yet ended for any of us; it has only just begun. Congratulations Class of 2002. Thank you.

Emily Anne Divver
Salutatorian

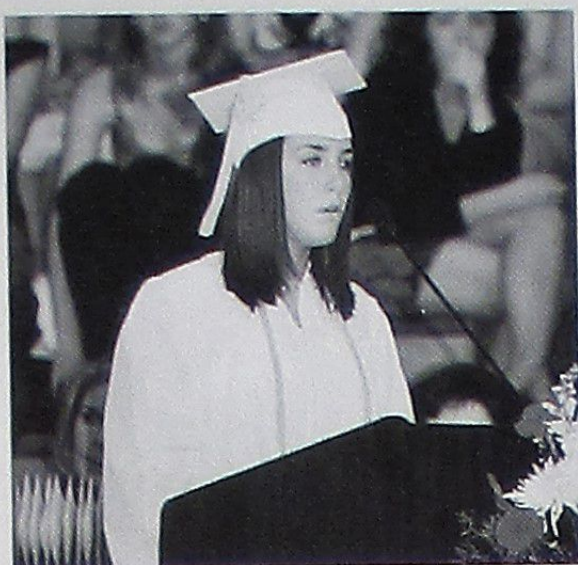

Good evening Dr. White, Mr. Naughton, Faculty, School Committee members, town officials, family, friends, and members of the Class of 2002:

We, the class of 2002 have made it through our high school years. Senior year is a time of challenges for many students. However, our senior year was especially difficult with events that were unanticipated. We have all been united through the tragedy of September 11th, and we have overcome many of our fears together. Tonight is not a night to dwell on the tragedies of this year, but it is a night to celebrate triumphs of character.

As we prepare to embark on our new endeavors, we will face new challenges. One quality that we will need to face these ventures is character. This year, we have seen the character of men and women shine through in dark times. Through acts of bravery, concern, heroism, and sympathy, the true qualities of human character have sparkled in times of difficulty and tragedy. What many of us have learned this year is that character is what separates the ordinary from the extraordinary. Mahatma Ghandi once said, "a man of character will make himself worthy of any position that he is given." There are many positions that we have accepted already; as a class officer, a captain of a team, a member of a club or a student who volunteers time in many different activities. The role we have taken in high school is the beginning to the tasks we will face in the future. In the end, it will be our strength of character that will determine whether we will persevere and triumph.

Tonight, as we are about to accept the new challenges of life after high school, I can say with confidence that our class has remarkable character. We are true to ourselves and accept the challenges we are faced with everyday. Our class has triumphed already. This year, the football team succeeded against Bellingham; the boys' basketball team achieved the opportunity to play at the Fleetcenter; and the seniors prevailed in completing the senior projects. We have accepted our many challenges together as a class and with an overwhelmingly strong and relentless character.

I believe that we have definitely proven ourselves worthy of great things. Sitting here tonight, only minutes away from receiving our high school diplomas, is a great victory for us all. After tonight, it is our duty and our right to carry on the traditions of our strong character beyond our small school. We are here to accept the challenge of leaving what we have known so well for so many years. I think Calvin, from "Calvin and Hobbes" puts it best when he said, "Day by day, nothing seems to change, but pretty soon, everything is different." Our high school days seemed long, but actually, time was moving on at a rapid speed. Now, our time in high school has concluded. We are ready to accept the responsibilities of new adventures, positions, and victories in the next chapter of our lives. I wish everyone the best of luck in life; keep your character strong, and do your absolute best everyday. Congratulations!

Shannon Susan Carey
Class President

School Committee, Dr. White, Mr. Naughton, Faculty, Family, Friends,
and my fellow classmates-

Small school, big family. Small school, big family. I have to admit I do laugh to myself quite a bit when I hear this expression. And I'm sure if you ever said it to anyone outside Millis, they would laugh at you as well. When I tell people that I have a graduating class of 62, no one can believe it. Most people will ask me a second time, "Did you just say 62? Or 162?" I always try to explain to them the benefits of having such a small class. You know everyone and where they live. You will never need to put a lock on your locker. You never have to worry about lunch money, because the lunch ladies most likely know your Mom and will call her if you don't pay them back.

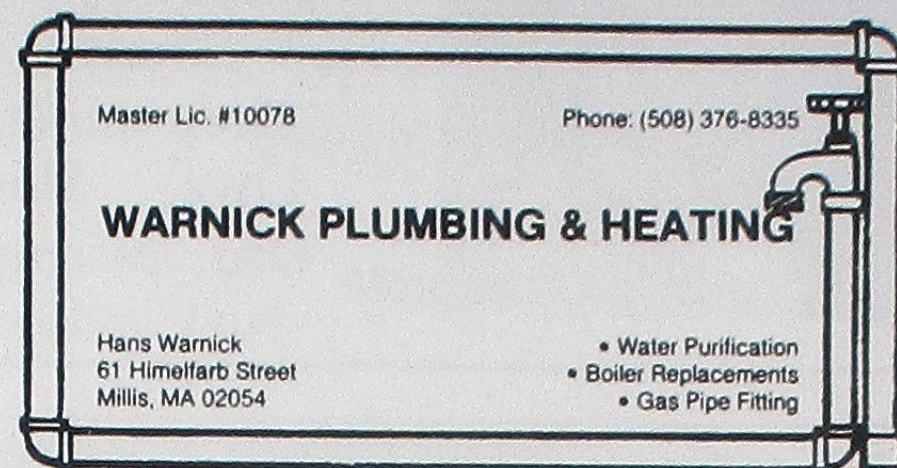

However we are a family. Like a family we have our own memories, our own family pictures, and we even have our own inside jokes. We have taken this family on trips; we have even forgotten members of this family at the school. But like a family, we all meet again at Friendly's. We also grew much like a family does. After the tragedy of September 11, we all did a lot of growing whether we wanted to or not. No matter how old we get or how far away from Millis, Massachusetts we may wander, we will always remember where we were and whom we were with when the attacks occurred. We spent that whole day together as a family while we held those people and their families in our hearts and minds. However dysfunctional this family may be at times, we found we will always be there for each other when it counts.

I would like to take this opportunity to speak to my classmates. Thank you all, thank you for giving me the opportunity to represent you for the past four years. It has been my pleasure and my honor. Thank you for teaching me how to live, and how to be a better person. I would like to thank the parents, family members, teachers and friends who made my classmates the people they are today. I also ask that everyone here tonight take a good look at the class sitting before you. We are the future; the torch has been passed to this generation. We have made it our mission to make you proud, and to create a world where events such as 9/11 never have to happen again. Our hope is that we will cure the disease of hate not simply the symptoms. Finally I would like to take this opportunity to thank the head of this family, Mr. William Dooling. He has been our friend, our mentor, and the greatest source of inspiration anyone could ever ask for. He is the backbone of this class, and I speak for all of us when I say we will all hold you in our hearts and think of you with a smile. Thank you and good luck.

Congratulations to my graduate
